TOWN OF BETHEL
OFFICE OF HISTORIAN

INTRODUCTION.

"The town of Bethel was erected from the territory of Lumberland by an Act of the Legislature passed March 27, 1808.

White Lake Presbyterian Church.— For the origin of this Church and congregation, we refer to the records of it, as carefully kept by the officers. On Christmas Day, 1805, we find it stated that "a number of the inhabitants of Lumberland, being by previous notice called together, at the house of Captain Abner Hollister, it was noted as their wish to form and to be formed into a society of worship, publicly called Presbyterian, and to be known by the name of the "WHITE LAKE PRESBYTERIAN SOCIETY."

Church organized September 3, 1810, by the Rev. Daniel C. Hopkins, a Missionary of the General Assembly of the Presbyterian Church in the United States."
