MOTOR VEHICLE EXCISE
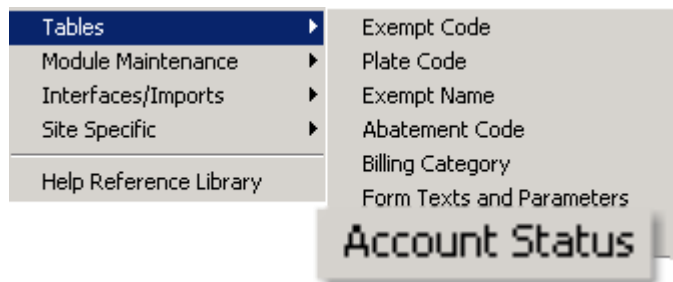

RELEASE NOTES – JUNE 2016

This document explains new product enhancements added to the ADMINS Unified Community for Windows **Motor Vehicle Excise** system.

1. TABLES

1.1. Account Status

A new table was added to the motor vehicle excise module. This table will be used for specific sites to provide an indication of the account# status.

Most sites will not use this table but it is mentioned here to document the change.

2. HELP REFERENCE LIBRARY

Not applicable for this software update.
