

# REAL ESTATE TAX BILLING

## RELEASE NOTES – JUNE 2016

This document explains new product enhancements added to the ADMINS Unified Community for Windows **REAL ESTATE TAX** system.

### 1. PARTIAL PAYMENT BALANCE DUE NOTICES

The partial payment letters were not printing the correct information for some partial payments. This was corrected.

#### 1.1. Edit List

To help reconcile the printing and processing of balance due notices, the edit list was enhanced with a column that displays the balance due.
