

Unify Chatbots improve Customer Engagement

Gen Y and Gen Z prefer Chat over Voice and email while engaging with Businesses

Consumers prefer Chat over other channels...

...Yet Businesses are not ready to engage via Chat

Consumers Expect Businesses to be available 24/7

.... Businesses are concerned about the cost of this

Unify Chatbots provide a Chat based platform without the need of Live Agents

Automated responses via the Unify bot provide meaningful conversations to consumers while being efficient on costs.

Why use Unify ChatBots

- Business is available 24/7
- Increase Customer Engagement
- Lower Customer Service Costs
- Improve Customer Satisfaction

Be Available 24/7

- **ChatBots are available anytime, anywhere**
- Mobile Optimized

Improve Customer Satisfaction

Automate Customer Service

- **Reduce need for Agents by automating customer service**
- Over 20-25% of customer inquiries resolved directly by bot
- Reducing of 50% time in agent handling time for remaining inquiries

Reduce Cost to Serve Customers

Improved Scalability

- **Highly Scalable with ability to handle peak loads**
- Disaster Recovery using the Microsoft Cloud Infrastructure

Zero Downtime
