## Christmas Blessings for all,

This has been an interesting year. In March we left to work with Pastor Pepe in Mexico. It was a great adventure as we traveled into the mountains to meet with the Tzeltal Indians. We were blessed to be a part of adding a few new members into the family of God. We met many wonderful people as we shared God's Word and love. **We gave the gift of Jesus.**

In May I fell and broke my arm. In June we ended up coming home from Chilo'n early because Wayne's Dad was near death. Wayne was blessed to be with him as he took his last breaths. While we were home we were able to spend cherished time with family and friends. Family dynamics seem to change as our parents pass and families grow.

In October we attended chaplain training with Christian Resort Ministries Intl. In November we took a position at Mission Bell Resort, in Mission Texas. Wayne gets to bring the Word Sundays. He is getting more and more relaxed as he gets more experience. There are many activities in the park and a great sense of community. We have been able to comfort and pray with some of the residents. There seems to be a few widows who are struggling with missing their partners. We are trying to come along side them and encourage them.

The plan is to be here in the Rio Grande Valley until the end of March or April. We don't know where God will call us after that. People ask us where we are from, I say I don't know any more. We are a couple with no real place to call home, I guess we are citizens of God's Kingdom. That is our home.

We pray the Lord richly blesses you in the new year. We pray for your safety and that you will be in health. Please pray for us as we continue to follow God's winding path for us.

## Merry Christmas, Happy New Year,

Blessings,

Wayne and Sandy
