

# Restoration Now Ministries

## Wayne and Sandy McNair

**Christmas Blessings to you, our friends and family!**

December 2019

**There Goes 2019** As we look back over this past year, it has brought many wonderful changes. We spent the first part of the year in Germany making many new friends, learning, and sharing God's Word. God gave us two new grandsons, Hendrix in May and Phoenix in August. We spent time reconnecting with family and friends. We even made a few new friends. We loved spending time with all our grandkids.

Our summer was full. We got to visit with family and friends in New York at two family reunions. It was wonderful to see my sisters and brother. It has been a long time since we were all together. We saw nieces and nephews and even cousins we had not seen in many years. On the way back from New York, we stopped to see my oldest son and his family. We got to meet Hendrix for the first time.

As far as ministry goes, we now have our nonprofit status. We have been volunteering at the local Charis extension school. We found a place to rent short term. The owners are believers and have a house church. This time has been a time of waiting and preparation. Over all, we feel blessed!

**We want to thank all of you who have made it possible for us to pursue our dream of taking the Gospel to the nations.**

**Here Comes 2020 Now comes the exciting part!** Today we received our FBI background checks. Wayne was approved for his health certificate and I will go for mine soon. Thankfully, we have new partners contributing monthly, plus saved one time donations. Together with Wayne's retirement income, we believe we have enough funds to apply for the long term visa. We still need airfare and to find a place to stay in Spain. We are so close to being able to go.

We will apply for the Visa before the end of this year. Hopefully within a month we will have our answer (it could take up to 3 months.) **It will be bitter sweet as we will be leaving our friends and much loved family!!** We know God will watch over you and keep you safe. Come visit us in Spain!

This has been a long time coming but we believe this is what God has asked us to do. We know that Jesus left His home and came to earth as a baby. He came to restore the world back to a relationship with God. He paid the price so we can come to God and receive His loving kindness. We are going because we want everyone to know His love and forgiveness. Receive it today!

*Merry Christmas & Blessed New Year!*

*Many Blessings, Wayne and Sandy McNair*
