

Dear Family and Friends,

I was just looking back at the newsletter I did last August. What a difference a year makes. Last year was full of victories, ministry and fun. Now it's hard to do a newsletter when you don't have as much news.

This year because of the virus it has been much slower and a honestly a little disappointing. Travel to Europe is still closed, so here we sit. Hopefully things will change soon. In the mean time we are continuing to try to serve God the best we can. I am trying to loose weight to be ready to apply for our insurance and the long term visa to Spain. I am down about 40 lbs. and still loosing.

Making the Best of a Bad Situation New Opportunities While Waiting!

After praying about what I (Sandy) could do from home, I came across a ministry through the Billy Graham Evangelistic Association called Search for Jesus. It is an internet ministry where people go online to a site called peacewithGod.net. It is a place where people search for information about how to accept salvation or to know more about God. There is also a place where they can live chat with a chat coach. That is my role.

I have to admit it has been a little different than I had expected. I have been able to share truths of God's Word and encourage people from different nations. Not exactly what I thought of when God said to **GO TO ALL THE NATIONS!**

I am able to connect with people who are lost and hurting. Some want salvation, some physical healing, some need provision, some need deliverance from bondages. Others have family issues or are just tired of being isolated. I am able to pray with them and believe God is touching them. There are even some who are insulting and rude. I don't imagine I have suffered more than Jesus. I am enjoying ministering and feel like I am making a difference sowing seeds and showing Christ's love. Thankfully, this is something I can do here or in Spain. With your help, I am still reaching nations.

PASSING THE TORCH:

The past two years Wayne and I have been able to help out with youth camp at Wild Week. We take the youth from Cowboys for Jesus. This year since Wayne was working, our son Jaazaniah

was able to join me and Ms. Elizabeth Ferriby as a leader. We saw God move on the hearts of the kids. For me it was good to see our son using his gifts to encourage others to follow Christ. He played guitar for our small group and lead, prayed over and played with the boys. It was good to have someone under 50 to minister to the kids. Some of the kids went last year and had already accepted Christ as Savior. The five new campers made professions of faith that week. God also touched the kids who had come before. It was awesome.

Wayne has been busy ministering his music. He helped lead the men at the Cowboys for Jesus Men's Advance. He will lead worship later this month at the Charis Bible College Extension School in San Marcos. He will also be lead worship at our friends church Bad Days Are For Other People, in Luckenbach, TX on September 13th.

Please pray for Wayne's Dad, also named Wayne and the family. Wayne's Mom recently went to be with the Lord. She and his Dad were married for over 70 years. His Mom was 91 and had been suffering from dementia. His Dad has been her main caregiver for the past 5 years and now is lost without her. We are glad she is finally free but we will miss her dearly.

Prayer Requests

- ◆ Wayne's Dad and family
- ◆ My Search for Jesus Ministry
- ◆ God's Wisdom & Timing when to apply for the Visa to Spain

Thank all of you who faithfully give and or pray for us. We want you to know that we have been saving all the funds given, except for a few office expenses. We need it to qualify us for the visa to Spain. Our heart's desire is still to go and share God's power of restoration with the nations, making disciples and sharing God's love. If you would like us to speak at your church or Bible Study let us know.

Blessings, *Wayne and Sandy McNair*
