

# Restoration Now Ministries

Wayne and Sandy McNair

2 Corinthians 5:18-21

October 2021

Greeting friends,

I can't believe how long it has been since I did a full newsletter. I am sorry we have not been in touch more. A lot has happened since our last letter way back in May. I was wondering why I didn't do a letter when we got home but I just remembered I was one handed. On May 21, I got up in the middle of the night to use the restroom. We were living in the mission house in Chilo'n and it had rained during the night. I didn't know that the roof had leaked. When I stepped out of the bathroom I hit the wet tile and down I went. I tried to catch myself and ended up breaking my wrist.

This was an interesting experience since we were still in Mexico. Thankfully Pastor Pepe's daughter knew a doctor who came at 2 AM and put a splint on my arm. The next day we went to the next town over to get x-rays. Then the doctor looked at the x-rays and took pictures by phone and sent them to the orthopedic doctor in San Cristobal de las Casas. He confirmed it was indeed broken. Next day we drove 3.5 hours to see him so he could put the cast on. I had to wear it for a total of 8 weeks and then a splint for a couple more. After returning to the states I finally got to have occupational therapy to get it functioning again. I was surprised how much motion I had lost during that time. I couldn't lay my hand flat to use the key board on the computer. **This explains the no newsletter.**

Some of my favorites, Jacinta and Benjamin

Pastor Pepe, Joham, Hiram, Normi and Wayne

We had a wonderful time in Chilo'n (other than the food poisoning and broken arm). We made lots of wonderful friends. We feel like we left them knowing that God loves every race and tribe. We were even able to bring a few new souls into the kingdom.

Renaldo, a new believer

Leslie (our interpreter and teacher) George and Melly and Wayne

Vale 1 and Vale 2, young ladies who love the Lord

Because of your giving, we were able to help Pastor Pepe purchase this new, to him, truck. It was much needed, considering the mountainous area.

# Coming Home Early from Mexico

The reason we came home early really was because Wayne's Dad was very ill and ended up passing away. We were able to get home just in time to spend a couple of days with him before he passed. Wayne got to be with him as he took his last breathe. Wayne said he noticed as his Dad passed his countenance changed, he looked for a moment like a young man. He was 93.

We have been staying at his Dad's home trying to clean and get the house ready to sell. We have been hoping the probate of the will would go quickly but it doesn't look like things are moving along so we have prayed and God has given us another assignment.

## New Adventure

As I began to think about this newsletter I questioned what is a missionary? Webster's dictionary defines it as: : a person undertaking a [mission](#) and especially a religious mission. So then I looked up mission: : a ministry commissioned by a religious organization to propagate (spread and promote an idea, theory, etc.) its faith or carry on humanitarian work. Yes, one definition talks about going to a foreign country but it doesn't have to be. This new assignment is still a mission but located in Texas. We will be working as Chaplains for a RV park in the Rio Grande Valley for winter Texans. The Gospel is needed everywhere!

We will be working with CRM International (Christian Resort Ministries Int.). Wayne will bring a message every Sunday at the church service at Mission Bell RV Resort in Mission Texas. We will be living in the community and will be there to encourage, council and share the love of Jesus with the residents. Most of the people there are retirees who live up north in summer and down in the valley during the winter. They come from all different religious backgrounds and many are not saved. We hope we can share truth and lead them to Christ.

There are actually two parks at this location and we will be chaplains for both. Plus we will reach out to the surrounding communities. Participating with the park activities will help us get to know people and be a light to them. We may also find ways outside the park to minister.

We leave for the valley October 22. The training is October 25-30th. Right after that we will move to the park. The wife of the former pastor will be there to help us. We thank God for this opportunity. Dennis and Paula Key (our board members) will be stationed at a nearby park and we hope that they help mentor us. Wayne will be stretched as he has never had to bring a weekly message before.

# GOD'S FAITHFUL PROVISION

Since one of the requirements to be a part of CRM Int. is to be able to be living in the community where we are assigned. That meant we either had to buy a park model trailer or a RV. We decided on a RV so we can move it more easily when God moves us again. God provided the funds we needed through Wayne's inheritance. God knew what we had need of even before we did. We were able to stay out of debt and get what we needed.

Even though we are still waiting on Wayne's Dad's Will to go to probate we were able to obtain some of the funds he left Wayne. It's kind of funny how the Charis Bible Study we have been leading on the Book of Galatians talks about being a son and the rights as a son to our inheritance. Wayne didn't do anything other than being his father's son to inherit this blessing. It reminds me of the blessing we inherit just for being God's children. We don't earn His blessings, they are a gift because He loves us, we just have to receive them.

## OUR NEW HOME

I asked the Lord for a particular layout of the RV and a list of things I wanted. He fulfilled the desires of my heart. I also prayed and asked how much we should spend. I heard an amount and not to my surprise that is exactly what we ended up paying. After we made the deal the owner said he had several other people look at it who offered him thousands more but he honored our agreement.

**If you have a movable house, you need a way to move it!**

When we helped Pastor Pepe purchase his truck I felt like the Lord was telling me we were sowing a seed for our next new vehicle.

I didn't realize that would be this truck. We were able to get this 2011 Ram 2500 to pull the RV.

# Ministry Update, News From Kenya

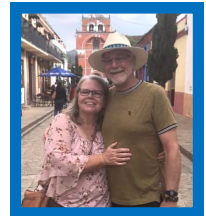

I don't know if you remember the young man we met in Kenya? While we were there we gave him some advise about his marriage. He says it totally changed his relationship with his wife for the better. He calls us weekly and asks for scriptures and just encouragement. We sow some financial seeds into his life to help pay for his kids to go to a better school. He always tells us what an impact we have had on his life and his family.

We feel like God has a call on his life. Recently he was asked to preach at his church on giving. He asked me for some scriptures and I shared several including the one in [2 Corinthians 9:7](#) Let each one [give] as he has made up his own mind *and* purposed in his heart, not reluctantly *or* sorrowfully or under compulsion, for God loves (He takes pleasure in, prizes above other things, and is unwilling to abandon or to do without) a **cheerful** (joyous, "prompt to do it") **giver** [whose heart is in his giving]. He told us of all the wonderful comments he got after and even how it opened doors for him to preach in other churches. He has a real desire to go to Bible college and we are hoping to help him do the online Charis Bible College correspondence class from the School in Uganda. Please be praying for him as God grows him. I would say he is a true disciple.

**While we were home** we have been enjoying time with family and ministering to them. Wayne has been able to play his guitar and harmonica at a few outreaches. We were part of one outreach at Landa Park where the team he joined played worship. They also gave out free food. During the event 2 ladies prayed to receive the Lord!!!

We have continued to do the Charis Bible Study on Galatians and I have been able to return to doing my online chat through Search for Jesus and the BGEA. I had to take a break while I could not type, but thankfully I am back sharing Christ. There are so many opportunities to share Christ with lost and hurting people. I got to pray with a lady last night to accept Christ. Praise God!

Blessings, *Wayne and Sandy McNair*

2 Corinthians 5:18-21

**Thank you for your prayers and giving as you are a part of what God is doing in lives around the world.**
