AUGUST 2019

Wayne and Sandy McNair

God is Great and Greatly to be Praised

Once again, We would like to thank you for making it possible for us to do what God has called us to do. As most of you know we were in Germany for the first half of this year and a couple of months last year. We both finished the internship at the Charis Bible College in Birkenfeld Germany at the end of May. We learned so much while we were there, and God has been preparing us for the next chapter in our ministry. We took leadership classes and used practical application of the things we learned.

Sandy and Wayne have helped me to realize that God has put so much into me and that it is time to get it out for his glory. I was very fearful, but Sandy, with her strong revelation knowledge of the Word of God loved me out of that fear. Her love for Jesus strengthened my trust in the Word of God. Her strong faith gave me "the kick in the butt" I needed to grow and realize who I am in the Lord.

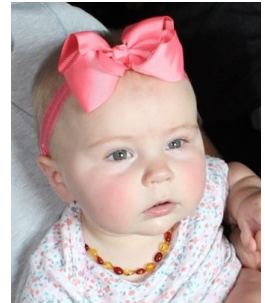

Wayne has such a strong anointing for worship, that I was amazed. I felt the impression in my heart to encourage him to record his worship so that more people can get touched by it. His worship music is made to heal people in soul, emotions and body.

Family Time

Once we got home, we were able to spend some time with family and friends. We stayed with our daughter for a couple of weeks and really got to enjoy our granddaughter Lena, who is changing daily.

We took a trip to New York to visit Sandy's family. We attended a family reunion and she saw cousins she had not seen in 40+ years. All her siblings were together for the first time since their mom passed 6 years ago.

Lena Kate

She doesn't know when she will see them again since we will be out of the country.

We also got to meet our grandson, Hendrix Sky McNair. He was born early on May 10, at 33 weeks and weighed only 4 lbs. 3 oz. but is doing well.

We also got to see and hug our grandson Cloud.

We made many great new friends while we were there, and impacted several lives.

Here is a testimony from Tanja, one of the women we met at church.

Leaving Family is Never Easy

Benjamin, Amber, Adriana, Gabriel, Christian, Cloud and Lena (our daughter's)

It is not easy for us to leave our family. The number of grandkids is growing quickly, and they are such a blessing! We miss them dearly when we are gone.

Adam, Nichole, Lakelyn, Acelyn, and Ryken

The grandkids are all growing and are a joy to be around. We also got to meet our bonus grandkids on our way back from New York. Our daughter in-law has three beautiful kids and we were grateful to be able to meet them.

On Aug. 1, our new grandson. Phoenix Wayne McNair was born to our son

Phoenix Wayne

Jaazaniah and his wife Kelsey. He weighed 9 lbs. 7 oz. and was 21.5 inches long. We are excited to see who he grows up to be and how the Lord is going to use him.

Summer Ministry

Wild Week

As soon as we returned from the trip to New York, we served at youth camp as helpers. It was great to see the Lord touch the kids. Many of them were in tears as they felt the power of God touching them. Several gave their lives to Christ. We brought 11 girls and 4 boys. The students that went last year expressed their desire to take their walk with Jesus more seriously. We pray they continue to pursue God.

The end of July we helped with the Vacation Bible School at Cowboys for Jesus. It was a good time for all the kids and they were taught the Word of God. 34 kids attended.

New Beginnings

While we are home, we have applied to establish our own 501C3 (non-profit org). We have enjoyed being a part of WIM but it became apparent to us that God wanted us to step out on our own.

We have established a board of directors.

- ◆ Wayne - President,
- ◆ Sandy - Vice President
- ◆ Carolyn Tucker - Secretary
- ◆ Bucky Tucker—Treasurer

- ◆ Dennis and Paula Key are members at large.

Bucky and Carolyn both have been a blessing to us and bring wisdom from their past jobs working for the government. Dennis is currently the Associate Pastor at Cowboys for Jesus and Paula is a mighty woman of God and prayer warrior. They have also served as long term missionaries in Mexico, Guatemala and for a short time in Africa. They are all great mentors and have a strong relationship with God. Their experience, plus our own, make us confident that God has put together this awesome team.

**We feel like this is a new beginning.
We are finally stepping into our calling.**

Our desire is to go back into Spain and become disciple makers. We have realized coming in and out of a country doesn't give us the opportunity we need to make disciples. We will continue to work with the pastors and missionaries we have met in

the past and try to establish our own outreach. We will start Discipleship Evangelism classes in churches and in our home. We pray God will show us the most effective way to reach the people in this area. It is not God's will that any should perish (John 3:16). He wants everyone to come to salvation and have a loving relationship with Him. Our vision is to get at least one person from each of the 100 people groups saved and disciplined so they can take the Gospel back to their own communities or countries.

In order to get the long-term visa, we need to prove we have enough funds for a year either pledged or in place to make sure we are not dependent on their government. They require us to show at least 2130 EU for the first person and 532 EU for the second per month. With the current exchange rate that makes it about \$36,000 a year. We believe we can live there for less but that is the requirement.

If we have 50 partners who will send a monthly gift of \$25 and 25 partners who will give \$50 and just 10 to give \$100, we will have more than enough. Together we can make a difference.

Sometimes it all seems overwhelming to us. We know we can't do it on our own! We believe that if we have heard God right, and this is what He wants us to do, He will provide.

Going into different countries has been an amazing experience and we truly believe we have served well. We have done what we felt like the Lord has led us to do but now **we feel like we are ready to go into Spain long term. All that we have done in the past 6 years has been preparing us for this.**

We are willing to do our part, but as I said before, we **can not do it alone**. We hope that you will partner with us to do as Jesus commanded. **And He said to them, "Go into all the world and preach the gospel to all creation. Mark 16:15"**

*Many Blessings,
Wayne and Sandy*

We Want to Be Good Stewards of God's Money

It is important to us to use the money God has given us wisely. It is expensive to mail out newsletters and we want to make sure they are going to people who really are interested in what we are doing. We are sending a return envelope, please return this form. Thank you!

Every Believer is Called to Spread the Gospel, Which Part are You?

³I thank my God in every remembrance of you, ⁴always offering every prayer of mine with joy [and with specific requests] for all of you, ⁵[thanking God] for your participation *and* partnership [both your comforting fellowship and gracious contributions] in [advancing] the good news [regarding salvation] from the first day [you heard it] until now. ⁶I am convinced *and* confident of this very thing, that He who has begun a good work in you will [continue to] perfect *and* complete it until the day of Christ Jesus [the time of His return]. ⁷It is right for me to feel this way about you, because [you have me in your heart as] I have you in my heart, since both in my imprisonment and in the defense and confirmation of the good news [regarding salvation], all of you share in [His matchless] grace with me. Philippians 1:3-7

Partnership is a Biblical principle. If you would like to become a monthly partner please indicate the amount:
