

Ministry Update

July 2020

Hello Friends and Family,

Because of the Covid19 issues going on in our world, we have had to stay here in the USA. We hoped to be in Spain full time by now. As many of you know there were some issues trying to get health insurance coverage for Sandy (me) because of weight. I am down a little more than 30 lbs. and I am still trying. We still hope to go as soon as they open travel to Europe. We will probably begin the Visa application process in September with hopes to being in Spain at the latest the beginning of 2021. Hopefully it will be a better year!!

Since we are home, we still want to be used by the Lord. Wayne is still playing his harmonica and guitar at Cowboys for Jesus and for the Charis Bible College gatherings in San Marcos. Plus he is working for the summer for Schlitterbahn, a local water park. During his break times, he has been trying to share Christ with a young Jewish man who also works there.

I recently went to Latham Springs Camp for Wild Week with the youth from Cowboys for Jesus. The days were long and hot, most days were over 100 degrees. We didn't get to bed until after midnight but were up before 7 AM. It was well worth it to see the kids being touched by God. Some of the kids who had not yet made professions of faith did so. Others who were already saved wanted to go deeper with God and surrender all. There were tears of joy and repentance.

On the last day there was a young lady who went to her youth pastor and with tears streaming down her face and said "I just can't leave this place until I surrender all." This began a rash of kids also surrendering and trusting Jesus. It was awesome.

Cowboys for Jesus Bullzi Youth Group

During recreation time the staff did team building activities. I was glad all our kids participated, at least for some of the games. Our youngest son, Jaazaniah, took over for Wayne. He worked with the boys and also lead worship in our small group time. It was great to see the Lord using him and also encouraging him in his own walk.

I have also been going through training for the Billy Graham Evangelistic Association to be a chat person on line. I will be live chatting with people from all over the world who go to a website called Peace With God. They can ask questions about God and then I will try to direct them to a relationship with God through sharing the Gospel and truths from the Bible. I am excited about this since I can still do this from home or Spain or where ever the Lord takes us, as long as we have a good internet connection.

We continue to stay in contact with some of the people we met in our travels. Through Facebook Messenger Lazaro from Kenya still calls and talks to us weekly. We also stay in touch with some of the folks we met in Spain. They keep asking when are you returning? I know God has given us a message of restoration and reconciliation. Our desire is still to make disciples and then have them make disciples. If we all work together, we can change the world for Jesus!

Financial Update:

We currently feel like we have enough funds to apply for the Visa but we will still need traveling expenses, money for a car and furniture etc. for when we get there long term since we have sold most everything we owned. We will still have the expense of living there and being totally dependent on God for our provision. We ask that you continue to give so we are not strapped once we get there. God knows the expenses we will have and I know that if we need more, He will continue to encourage people to partner with us and be a blessing to Spain. Thankfully we have no debt so it allows us to go where God wants to send us. If for unforeseeable future we end up not going to Spain, the funds will still be used to spread the Gospel.

We appreciate all your prayers and support as we continue to follow Jesus. Those who give, we pray God multiply it back to you. If you are one of those who pray for us, we know God counts you faithful and both get the same reward as we do. Where we go, you go. What we do, you do.

Blessings, *Wayne and Sandy*
