Dear Supervisors Pine, Corzo, Mueller, Warren and Canepa,

I am writing this letter because I am tired of Broadmoor being forgotten. As a concerned citizen and resident of San Mateo County, I wish to express my strong support for the Broadmoor Police Department and to request additional funding to ensure their continued effectiveness in serving our community of over 7000 residents.

Here are some of the reasons why I believe it is essential to maintain and support our police department:

Public Safety: The police department is the first line of defense when it comes to ensuring the safety of our community. Their presence and rapid response are vital in emergencies and critical situations.

Crime Prevention: Law enforcement plays a key role in preventing and deterring criminal activity. Their proactive efforts help keep our neighborhoods safe and reduce the likelihood of crime.

Community Engagement: Our local police officers work to establish trust and positive relationships with residents. This interaction fosters a sense of security and encourages residents to cooperate with law enforcement, leading to a safer environment.

Support for Vulnerable Populations: The police often provide support and resources to vulnerable populations, such as victims of domestic violence, the homeless, the elderly, and individuals struggling with mental health issues. Losing our police force would mean a loss of these crucial services.

Comments:

Thank you for your time and attention to this matter. I hope you will consider my request and prioritize the safety and well-being of our community.

Sincerely,
