

Dust News

Vietnam is experiencing COVID-19 Coronavirus as well. All of the grade schools, middle schools, and high schools have been closed since January. We have 75 children that attend outside school thanks to your support. The other children attend school inside the orphanage taught by the Sisters.

Thanks to your generous support, we were able to send the orphanage extra money to stock up on rice, toilet paper and other necessities. It is reassuring to know they have what they need in a time when there is so little, due to the frantic pandemic shopping.

None of the orphans, sisters, or volunteers have COVID19. The orphanage has been isolated since January. We pray you are healthy and safe too!

Meet Two Orphans

Tommy Nguyen came to the orphanage when he was very young along with his sister, Rose Nguyen. Their parents dropped him and his sister off at the orphanage at night without any papers or birth certificates. We do not know where their parents are today. Tommy is 7 years old now. He is an artist and is very good at drawing and can draw anything! Tommy loves super heroes like Spiderman! He is very joyful but very quiet and is very generous and giving of himself and always sharing with the other children. Tommy is very smart and attends outside school.

Update on Josh: He is still at the orphanage and waiting for a kidney transplant. Please keep him in your prayers.
