Han "Buddha" and Diedre January 2017

Han was found by Sister Danielle abandoned at one of the markets in Ho Chi Minh City. Han is severely mentally and physically disabled and he is not expected to live beyond the age of 25. Han spends his day sitting in the same corner of the orphanage watching the other kids. We take in all children up to age 18 no matter the mental or physical disability, thanks to your financial help!

There are many ways to support us!

Please keep the orphanage in your daily prayers.

Please remember us in your Will; consider listing us in lieu of flowers in your funeral planning; list us as a beneficiary on your retirement account.

## Update on Josh

In December 2015, Josh was given 6 months to live due to kidney failure. He outlived that 6 months by several years and Sister Danielle noted that it is truly a miracle. He has been doing well until recently. He graduated in May and moved in with a family.

However, his health has turned for the worse and he moved back to the orphanage in December to die surrounded by the people he knows and loves. Please continue to pray for Josh. He might recover again with our prayers! He would like to thank all of you for your prayers and support too.
