There are many ways to support us!

Please keep the orphanage in your daily prayers.

Please remember us in your Will; consider listing us in lieu of flowers in your funeral planning; list us as a beneficiary on your retirement account.

The orphanage currently has 327 orphans ranging from newborns to age 18 that live in 3 buildings. Vietnam has a high abortion rate and is generally in the top five of all countries worldwide year after year. The Sisters that work in the orphanage have made it known that they will take newborns and have asked the local women not to abort their babies. Many children are dropped off on the front porch at night; many children are found abandoned and are brought to the orphanage by local residents; many children walk for days to get to the orphanage because they know it is a loving orphanage. We care for all children that come to the orphanage including no matter the disabilities such as blindness and deafness, health issues or circumstances. **Thanks to your generous support, we do not turn away any children.**

Meet An Orphan

Maria Nguyen was found abandoned in the local market by Sister Danielle in 2008.   Maria cannot walk but gets around in a wheel chair as well as scooting up stairs very well.   In 2014, she was baptized and Diedre became her God mother.   She is age 17 right now. Maria is always smiling and is the most joyful person you would ever meet.   Thanks to your donations she has a promising future!!!

Update on Josh: He is still at the orphanage and waiting for a kidney transplant. Please keep him in your prayers.
