There are many ways to support us!

Please keep the orphanage in your daily prayers.

Please remember us in your Will; consider listing us in lieu of flowers in your funeral planning; list us as a beneficiary on your retirement account.

We need your continued support to provide food, water, clothes, schooling for the 330 orphans and bikes for orphans who are graduating. Thank you for your continued support!

# Meet A Graduate

Kevin and Diedre at the Orphanage

Kevin helping a stranded driver

Kiet (Kevin) Duy Nguyen came to the orphanage because his Father died in an accident and his Mother was too poor to support both of them. He graduated in 2010. His mom lives far away from the orphanage but they are in contact. Kevin volunteers at the orphanage and drives the children between the orphanage and schools for those children that qualify for public schooling as well as other tasks that Sister Danielle asks him to do. He also lends a hand to others including stranded drivers! He is a singer and has his own band. They play several nights a week in the area.

Update on Josh: He is still at the orphanage and waiting for a kidney transplant. Please keep him in your prayers.
