

THE PATCH
DISPATCH

MAY 2024

May is a very busy month. It brings Cinco de Mayo, Mother's Day, graduations, plus planning vacations and reunions. Please enjoy, and embrace everyone near and dear to you, celebrate with them, and thank your mothers (and others just as important in your lives)! And, remember, it's still glorious **Spring**!

The program chairs, **Christy Andrews** and **Lorri Heffner**, have found some **wonderful programs** for us this year. Our own member, **Debi Mishael**, took us on her delightful journey of sewing and creating. A BIG thank you goes to Lorri for recruiting an emergency replacement for our Friday speaker with only two days' notice. Elizabeth (Liz) Granberg-Jerome was excellent and entertaining. How many of you are shopping for panels????

The workshop scheduled for January finally happened in April. Esterita Austin taught portraiture, emphasizing values and using one piece of ice-dyed fabric. It was a fun, but busy, two days of work. Watch for our faces during Show & Tells to come.

Our **May speakers** are Jane Sassaman, on Tuesday, and Terri Lucas, on Friday. Jane has been with us before and her work is fabulous, showcasing applique' on a much higher level. Terri has a trunk show and some free-motion quilting advice. Don't miss either! Jane Sassaman's workshop is titled "Wings and Wedges" and will be held at Trini Mendenhall on Wirt Road.

The **board and committees have been busy**. We enjoyed the New Member Tea with about 25 in attendance. It's so nice to visit with our newest members. Please help them feel at home when you are at a meeting or event. The quilt show organizers have more items checked off their lists. Retreats will be ready to register for the July retreat. We have Charity Quilt Day in July as well. Please contact **Mary Van Speybroeck** if you can be a guinea pig as we set up our new-to-us WildApricot platform.

Our **Bylaws Committee** has sent out their report with proposed revisions to all members via email. **Lois Cleveland**, chair, and members **Debi Mishael**, **Debbie Dansby**, and **Monica Warden** worked diligently. Thanks to them for keeping us on track. Each of you is asked to review. If you see something needing attention or have a question, please contact Lois.

Weren't the **shop hops** fun? Did you find a new store? (I did!) The shops all reported a large increase in shoppers. That's such good news...we want to help keep our quilt shops open! We had several **quilt shows** nearby, too. The shows had remarkable quilts in their exhibits. Another one is scheduled for the first weekend in May. The shows are so much fun to visit. I predict that ours will be remarkable, too!

Back to designing and sewing that "This Brings Me Joy" entry for the challenge at our show and an auction quilt. Have a great month!

Happy Spring,
Sharon Kralj

Notion of the Month – Health Alert

Instead of highlighting a favorite notion please take note of these health warning signs. Several members are dealing with "surprises" and want all of us to know what to do just in case....

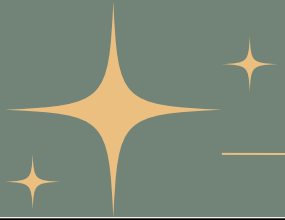

***If you see flashes, usually in just one eye, call your eye doctor immediately. This can be a problem with your retina, and you should not wait! Your vision is at risk.

***If you get an insect sting, make a paste of meat tenderizer and apply generously. It will neutralize the venom. If you don't have that, use baking soda in a paste. It will draw out the venom. If you develop difficulty breathing or swelling, contact your doctor immediately.

***Any unexplained bleeding or discharge should be reported to your doctor immediately.

We have a large membership and all three of these things have happened in just one week! Take care of yourself and your friends and family.

Title: "Jane's Textile
Treasure Garden"

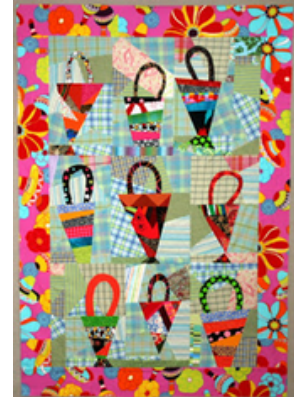

This is a glimpse into Jane's inspirations and process of designing fabric. From dreaming to drawing, coloring, and cutting, it will be a colorful journey through Jane's creative process. She will also bring many quilts and accessories made with her FreeSpirit fabrics. Everyone will enjoy seeing how to use these contemporary prints to make dramatic quilts.

Sujata Shah
"The Root Connection"

IN-PERSON/ZOOM

While growing up in India, rich colors, hand-woven textiles, and handcrafts were part of Sujata's daily life. She learned to appreciate the irregularities and imperfections of handmade crafts. Her instinctive ability to work with colors and textures combined with her education in graphic design has helped her develop a unique style as a quilt designer.

Inspired by utilitarian quilts and handmade crafts from around the world, she developed an abstract form of traditional quilt blocks and subsequently published the book, *Cultural Fusion Quilts*.

The presentation includes a slide show of her travels in India as well as her journey as a quilter. Slide show is followed by the trunk show of original quilts.

Inspired by folk art applique flowers, Peppermint Pinwheels is a perfect spring or summer project. One might ask: is it possible to make a pieced block with curved flower petals without any patterns or templates? The answer is, yes! This design focuses on cutting multiple curves through layers of fabrics and sewing the pieces into free-form flower blocks. Participants will follow instructions from the book *Cultural Fusion Quilts* and construct blocks resembling large appliqued flowers with appliqued centers. The process is easy to learn and quick to reproduce. I will share many tips on making free-form blocks and offer many suggestions for color combinations and layouts during the class.

Endowments

Janice Schindeler

Time to start thinking of how you could use some financial help to improve your quilting. QGGH awards \$500 twice a year to guild members who fill out the endowment/grant forms on our website. The funds are to be used to expand your knowledge of all things quilting.

Applications are now being accepted for the Fall distribution of the endowment money. Deadline for the Fall distribution is September 1st. As coordinator I will review the applications and present them to the guild board for the final decision. Applications and detailed information about the endowments are on our guild's website. Comforters recently donated quilts to Nora's Home. We received the following thank you note:

"Thank you for supporting Nora's Home with your beautiful quilts. Our guests absolutely love them. We are so appreciative of your gifts. - Peggy Schiller on behalf of Nora's Home."

"Nora's Home is a nonprofit organization that offers solid organ transplant patients and their families an affordable place to stay in the Texas Medical Center. Patients suffering from end-stage organ disease and facing the need for life-saving transplant surgery both find support and share experiences with others in the comfort of a home-like environment."

This nonprofit organization was suggested as a place to receive our Comforter quilts by **Laura Swinney**. If you know of a nonprofit organization that would be a good beneficiary of our quilts, please let me know. I rely on membership suggestions for the distribution of Comforter quilts.

This month, two members celebrated their birthdays with Comforters by making and donating completed quilts to Comforters. Thank you and Happy Birthday to **Kathy Fey** and **Peggy Palzkill**. Library traffic has been brisk! In April, we returned to the storage locker between meetings to restock the travel bin. We also had 2 “hold” requests for books on the shelves in storage that we could deliver to happy members.

Our website list is being utilized! The library book list is once again updated and back to an Excel file that you may download and sort however you like. We also have a printed list available at meetings to look at. Speak with or Email the librarians and we can try to get your requests for the next month’s meeting.

We accept book donations at any time. If it’s a duplicate, we will offer it at the Treasure Table. Thanks for contributing to the guild!

I would like to share this story with you. Saturday morning I took all the deposits to Frost in Stafford. Frost allows me to separate the deposits into small amounts so the tracking in Quickbooks is simple. While the teller was processing the deposits, a father and his kindergarten-aged daughter arrived with a gallon zip-lock bag full of change and bills. She was making her first deposit into a new account. It was wonderful to be a witness to a youth opening her first bank account with 5 years of piggy bank savings. I was just tickled to ask the Frost tellers for an official bank bag for more security on her next trip. The delightful girl was gifted a Frost bank zipper bag, and to her delight, she chose the camouflage version.

- 2. New Features Coming Soon:**
 - **Store and Workshops:** We're in the process of adding our store and workshops to the new website. **Diane Ragan**, our Treasurer, is working on setting up the online payments. Soon, you'll be able to explore our offerings and sign up for workshops easier than what we currently have.
 - **Database Maintenance:** **Laura Casmore**, our Membership Chair, is diligently keeping our membership database current. Having accurate records is essential for effective communication and organization.
- 3. Website Testing:** We've assembled a team to test out the new website. If you'd like a sneak peek and be part of this exciting phase, simply send an email to qgghinfotech@gmail.com. Your feedback will be invaluable as we fine-tune the platform.
- 4. Upcoming Presentation:** In June, I'll be giving a presentation about our new platform. I believe this transition will be smooth, but rest assured that if any hiccups occur, we'll work through them together. Our goal is to create a user-friendly space that fosters growth and keeps us connected.

Stay tuned for more updates and thank you for being part of our vibrant quilting community! 📖🌟

Editor's Pick

DEAR QUILTERS,

This month's Editor's Pick is an entry by Kathy Fey. When I saw this quilt in person I smiled from ear to ear. I've made scrappy backings before, but I've never made them with slanted strips. What a fun way to use fabric we already have in our stash. And how awesome to get a fun look by simply rotating strips in different directions. I'm going to try this!

With gratitude,
Emerald
