Thank you for trusting your medical care to Emerald Coast Cancer Center. When you schedule an appointment with us, we set aside time to provide you with the highest quality care. Providing quality treatment for all our patients in a timely manner is a major priority for our practice, and last-minute cancellations can cause hardships for many individuals. Please see our Appointment Cancellation/ No-Show Policy below:

- Should you need to cancel or reschedule an appointment, please contact our office as soon as possible. This gives us time to schedule other patients who may be waiting for an appointment.
- As a courtesy, we send automated appointment reminders by text/ phone call before appointments. If you do not receive a reminder call or message, this Policy will still remain in effect. Please ensure we have your correct contact information on file.
- Effective 5/1/2023, any established patient who fails to show or cancels/ reschedules an appointment and has not contacted our office with at least 24 hours notice will be considered a No Show.
- No Show patients will be charged a $25 fee for the first occurrence, and $50 for each subsequent occurrence. This fee will be charged to the patient, is not covered by insurance, and will be charged to a credit card on file at the office. If a credit card is not on file, the fee is due at the time of the patient's next office visit.
- If you have an emergency please let us know. Fees will be waived on a case-by-case basis.
- Patients who consistently miss an appointment or cancel at the last minute may be disenrolled from the clinic, or may be required to pay a reservation fee before scheduling future appointments.
- Patients who arrive fifteen (15) minutes late to a scheduled appointment may not receive all scheduled treatment and / or may be asked to reschedule the appointment.

I have read and agree to the above policy.
