April 11, 2024

To the residents of Hawk Point,

As you all may be aware, Custom Disposal sold their business to Grace Hauling on April 1, 2024. Hawk Point City Hall was not made aware of the sale until after it was complete. During this transition, if your utility bill from the City of Hawk Point includes trash and you receive a separate bill from Grace Hauling for Residential Services, please contact City Hall at (636) 338-4377. Your patience is appreciated through this transition.

Trash collection is still scheduled for Monday mornings. 1 (one) large household item will be picked up on the last Monday of each month.

If you have any questions or concerns, please contact City Hall at (636) 338-4377.

Respectfully,

Hawk Point City Hall
