

WHIMSY VENUE

We have been planning something BIG for the Park, and we are excited to share a sneak peek. Phase 1 will include an iconic art-forward large stage, enhanced grounds (including wrought iron fence), and mosaic entrance off William St.

ABOUT US

The Arts Park began in 2017 as a volunteer organized effort to reclaim an unused green space and now has transformed into an outdoor art exhibit and event venue bringing the arts, community and new visitors into the City of Delaware.

The 2.2 acre green space is filled with over 100 unique art pieces, walking paths, and benches. Annual events are held including the Delaware County Beer & Wine Festival, CREATE! Event and Ghost Walk as well as art and yoga classes, concerts and socials. We are a 501c3 non profit organization.
