NDQHRA

HELLO, MEMBERS!

The Board of Directors held its annual meeting in December and have since made some notable changes to better serve its members.

Primarily, the board changed the payment schedule for the Northern Plains Futurity. The schedule for the North Dakota bred futurity and derby was not changed. See below.

Due to the lack of support from Canterbury, an 1889 Futurity will not be run in 2023. Funds will be directed to the ND bred futurity and derby.

The board will hold its 2023 annual meeting in December. All members will be invited to attend.

REMINDERS: The North Dakota Racing Commission is offering reduced fee racing licenses until May 15.

Also, sign up for the North Dakota Breeders Program through the North Dakota Racing Commission.

The state agency regulates breeders' programs for all breeds in the state. Information can be found at www.racingcommissionnd.gov

Please remember to use the new address:
