The Telephone Emergency Notification System (TENS) uses listed and unlisted numbers in the region's 911 database to alert residents of life-threatening emergencies.

The 9-1-1 database only includes landline telephones, so other numbers must be registered.

(TENS) is only used in Life-threatening incidents such as an evacuation during a wildfire, flood or earthquake.

To sign up, visit [www.sbcounty.gov](http://www.sbcounty.gov) and click on the "Sign Up for Emergency Alerts" icon or from the homepages of the

County Fire and Sheriff's department at [www.sbcfire.org](http://www.sbcfire.org) or [www.sbcisd.org](http://www.sbcisd.org).

*Residents who do not have Internet access* may register their phone by dialing the Social Services Hotline 2 -1-1.

**Become a Park Resident  
Representative  
to the City:**

This person would be a liaison between your park and the City. They would receive emails from the City of Yucaipa, thus keeping you up on current City issues that may include mobile homes. This Representative would be of great value to all in their park. Becoming an active member for your neighborhood can help others in your park and beyond. Being informed is half the battle.

**Buscando a alguien especial.**

Seguimos buscando a alguien que pueda comunicarse con los residentes de casas móviles de habla hispana de Yucaipa.

La YMRA es un recurso importante cuando hay problemas entre el propietario y el administrador que causan malentendidos y estrés.

Un hablante de español sería de gran ayuda en nuestra mesa de información para poder compartir los beneficios de YMRA.
