

Business Name:	Purple Monkey Coffee LLC
Description of Product:	PURPLE MONKEY COFFEE LLC sells at farmers markets with the booth name CAFESPA. We chose the name CAFESPA because it combines the two concepts of cafe and spa, which are both popular and relevant to our products. The name also has a fun and inviting feel to it, which we believe will draw customers to our booth. We also believe that it will help us stand out from other vendors at the farmers market, as it is unique and memorable. We make cafe-themed and health spa-themed handmade items such as ceramic coffee cups, ceramic tea cups, cafe-inspired and spa-inspired designs on cards/paintings/drawings, local handmade soap, and eco-friendly clothing with cute farmers market style designs. Not only that, but customers can also enjoy a refreshing beverage (bottled water and coffee) while they meet up with friends and neighbors.
