\*Full Name: \_\_\_\_\_

\*Mailing Address: \_\_\_\_\_

\*Physical Address: \_\_\_\_\_

\*City, State, Zip \_\_\_\_\_ \*Birth Date: \_\_\_/\_\_\_/\_\_\_

Email: \_\_\_\_\_ \*Driver's Lic#: \_\_\_\_\_ \*State: \_\_\_\_\_

\*Social Security# \_\_\_\_\_

### **\*REQUIRED INFORMATION, IF NOT COMPLETED APPLICATION WILL NOT BE ACCEPTED.**

Upon receiving this form with payment new meter installation will be reviewed by Board of Directors and if approved will normally be installed within 5 – 7 days. Not all areas of water system will accommodate additional meter being installed.

### ROAD BORE:

If your new meter is on the opposite side of the road from the main water system line you will need to get a contractor to do the road bore and depending on whether the road bore is going under a State Highway or Parish Road the cost will vary. One contractor in this area is Will Huffman, Will's Contracting, State License No. 30287, Ph 318-992-0163 Home or 318-729-2933 Cell. He would be able to give you a price for doing the road bore if road bore is necessary. By filling out this form BFWS Maintenance can contact you and let you know if a road bore is required.

### **For System Use Only:**

Board Approval: Yes: \_\_\_ : No: \_\_\_ If No, money will be refunded.
