Directions

Stand in a circle facing to the left with hands on hips.

First line: Walk in the circle around to the left with a little svikt (spring) in your step

Second line: Keep walking making ears on your head with your hands when you say "ej ören" (no ears), and make a tail with both hands when you say "ej svansar" (no tails).

Third line: Put hands on hips and hop big like a frog—not too quickly—on each beat.

Second verse:

First line: Walk in the circle around to the left with a little svikt (spring) in your step

Second line: Keep walking making ears on your head with your hands when you say "båd ören" (both ears), and make a curly tail when you say "och svansar" (and tails).
