

Good Day Homeowners,

I wanted to send out this email and give homeowners an update of what has been happening at Green Valley Villas West.

We are now fully staffed and back on track. We have divided our landscaping crew into two (2) teams so that we are able to accomplish more. We also have separated our Maintenance crew by Quads and each are responsible for maintenance of hot water heaters, HVAC's, and roofs.

We have created a Maintenance Preventive Plan and has been working Great!

We have also started with the ramp project we have done 8 ramps and have 5 more to go. We will also be painting the caution lines (Yellow) and the Red lines as well. More projects to come.

We hired a new Cleaning person that will be assisting Alma her name is Ana please welcome her when you all see her. We have divided their duties and she is doing an exceptional job. Diane and Liliana have been updating tenants and homeowner files up to date.
