The Board of Directors would like to announce the appointment of **Dorothy Gates** as the new General Manager of Green Valley Villas West Condominium Association.

Most of us know her as the current Bookkeeper and Finance Director, and she brings 5+ years of experience to our COA, as well as a wealth of knowledge of our Owners, Rules and Regulations, Vendors, and employees, not to mention her many positive personal qualifications.

Please join us in welcoming Dorothy to her new position and we have every confidence that she will bring integrity, fairness, and her personal touch to our Community.

Respectfully,

Chris Fisher,
President of the Board of Directors
Green Valley Villas West Condominium Association
