

HOW IT WORKS

COLLECT

Boxes of Basics collects quality new and gently used clothing from the community.

PACK

Volunteers select clothing and tailor each Box of Basics to the child. Every outfit is hand selected, lovingly wrapped and labeled. When a child opens their Box of Basics, we want them to feel like they are opening a gift.

DISTRIBUTE

We work with local charity, human services, school, government and religious organizations to identify children. The clothing is then delivered to the school or agency that made the request.

ABOUT US

Did you know that parents will spend an average of \$264 on their children's seasonal clothing? But that number is out of reach for many families.

Our mission is to empower kids with seasonal wardrobes packed with love and compassion. We work with school counselors, social workers, faith leaders and human services agencies to provide children with stylish, quality clothing that will give kids confidence and help them thrive!

.....

Our model for getting the clothes to children removes the stigma that goes along with needing help. By providing clothing that kids are proud to wear, we empower children to succeed in the academic environment.

.....

WHAT'S IN THE BOX?

Each Box of Basics is lovingly curated by one of our volunteers. Every child receives a full seasonal wardrobe, including new socks and underwear, shoes, pajamas, a variety of tops and bottoms to mix, match, and layer, and outerwear appropriate to the season. School outfits, play clothes, a dental hygiene kit, age-appropriate book and more, each Box of Basics contains everything a child needs for the season.

I am requesting a box for a student who has been in transitional housing for three years. Finances are difficult and she recently told me she was having embarrassment at school because her peers have noticed she only has two pairs of pants and cannot afford to buy any more, can you help?
