THCA FLOWER

Sativa:

Blue Dream Pie- Dive into the dreamy euphoria of Blue Dream Pie, a Sativa strain that tantalizes with its sweet berry flavors. Perfect for those seeking a blissful escape, this THCA flower is a must-try for enthusiasts looking to elevate their cannabis experience.

- **Genetics:** Blue Dream x Key Lime Pie
- **Effects:** Euphoric
- **Flavors:** Sweet, Berry

Mango Dream- Mango Dream is your ticket to a tropical paradise, offering an energetic and focused high. Its mango and citrus flavors make for a delightful journey, ideal for those seeking a creative boost.

- **Genetics:** Blue Dream x Mango
- **Effects:** Energetic, Focused, Creative
- **Flavors:** Mango, Tropical, Citrus

Sativa Hybrid:

Orange Creamsicle- Orange Creamsicle is a delightful, sativa-dominant hybrid that brings a burst of happiness and energy. Its citrus, orange, and vanilla flavors are reminiscent of a refreshing summer treat, taking you back to the days of chasing the ice cream truck through the neighborhood.

- **Genetics:** Orange Crush x Juicy Fruit
- **Effects:** Happy, Uplifting, Energetic
- **Flavors:** Citrus, Orange, Vanilla

Hybrid:

White Coconut Pie- White Coconut Pie is an evenly balanced hybrid strain that offers a blissful escape to a tropical paradise. Its sweet coconut flavor is both soothing and exhilarating. All you need is a tiny umbrella to go with it.

- **Genetics:** Berry Pie x Medellin
- **Effects:** Euphoria, Relaxation, Heavy-hitting
- **Flavors:** Sweet, Tropical, Coconut

Wonder Bread- Wonder Bread is a hybrid strain that's as delightful as its name suggests. With its uplifting and creative effects, it's like a burst of citrusy, sweet, and earthy flavors. As a relative of a Bob Marley favorite, it's no wonder that this Wonder Bread is one of the heavy hitters in our lineup.

- **Genetics:** Great White Shark x Lamb's Bread
- **Effects:** Uplifting, Euphoric, Creativity, Happy, Energetic, Focus
- **Flavors:** Citrus, Sweet, Earthy

Indica Hybrid:

Hood Candy- Hood Candy is an indica-dominant hybrid strain that offers a delightful blend of euphoria and relaxation. Its sweet, fruity flavors with hints of grape and berry make for a joyous experience.

- **Genetics:** Runtz x Why U Gelly
- **Effects:** Euphoric, Relaxing, Uplifting
- **Flavors:** Sweet, Fruit, Grape, Berry

Mr. Nasty- Mr. Nasty is anything but nasty, offering a uniquely savory and smooth experience. This indica-dominant hybrid strain is perfect for a relaxing, zen-like state, with its intriguing garlic and savory flavors.

- **Genetics:** GMO Cookies x Grease Monkey
- **Effects:** Relaxing, Zen
- **Flavors:** Garlic, Savory, Smooth

Indica:

Purple Cream- Purple Cream is an indica strain that's a true gem for relaxation and stress relief. Its mellowing and calming effects are perfect for a serene end to your day. With unknown genetics, this mysterious flower is making a name for itself.

- **Genetics:** Unknown Lineage
- **Effects:** Mellowing, Calming, Relaxing, Stress Relief, Euphoric
- **Flavors:** Fruity, Lavender, Pungent

Purple Urkle- Purple Urkle is an indica strain that embodies relaxation. Its grape, berry, and plum flavors offer a delightful experience, perfect for a restful evening.

- **Genetics:** Mendocino Purps
- **Effects:** Relaxing, Sleepy, Relieving
- **Flavors:** Grape, Berry, Plum

Top Gun- Top Gun is an Indica strain that takes you on a high-flying adventure. Its unique blend of sweet, earthy, and nutty flavors is as exhilarating as a supersonic flight. Although it may make you feel as sharp as Mav and Goose, don't try to go on any machine operated adventures after consumption.

- **Genetics:** Atlas Star x Cotton Candy
- **Effects:** Focus, Sleepy, Energetic
- **Flavors:** Sweet, Earthy, Nutty
