

11.3 Acres in the beautiful village of Rancho Dolores!

Great potential for tourism!

Asking \$32,500.00US or \$65,000.00BZ

This beautiful property is situated in the village of Rancho Dolores in the northern part of the Belize River Valley. The property boasts a combination of flora and fauna, and is home to Baboons, Spider and Howler Monkeys, Deer's, Gibnut and many other wildlife. This 11.3-acre property has some dense jungle, and it is ideal for birding tourism. There are a few farms and cattle ranches along the area to this property and it can be used for a cattle, farming, or residential use. The property is located 2 plots away from the Spanish Creek River.

The home of the Baboon Sanctuary, Bermudan Landing is just a few miles away from the property. The international Airport is approximately 26 miles from the property. You can also access the western part of the country through the Burrell Boom-Hattieville Road.
