

This gorgeous house is for sale in Corozal District, Belize, Central America.

This magnificent 4-bedroom, 2-bathroom house sits on a 65-acre property.

Asking price is \$560,000.00 USD.

This beautiful 5,400 sq. ft. house has a 4-car garage, a swimming pool, a pool/laundry room, a man-made waterfall, a small garden, numerous fruit trees, and a cane field on this 65-acre property.

The ground floor is uniquely designed to make it bright and airy with high ceilings and a spacious open floor concept for the kitchen, dining and living room. The kitchen has beautiful custom-made wooden cabinets. The bedrooms are designed uniquely on both sides of the house. Each of the 4-bedrooms are fully equipped with custom built wooden closets and A/C. 1-bedroom has a king bed, 2-bedrooms have queen beds, and 1-bedroom has a standard double bed.

The second floor is designed as a mezzanine-style loft on the north and south ends of the house. Each area is 600 sq. ft. and is accessed by a spiral metal stair and a wooden crosswalk/bridge supported by metal beams.

The front of the home has a beautiful 231 sq. ft. veranda with wooden swings. The additional 960 sq. ft. covered patio gives you plenty of room to entertain in a crowd or relax in a hammock.

The pool has a wet deck, a waterfall fountain and lights for romantic evening swims.

The front of this sixty-five-acre property is fenced, with 2 acres around the house fully fenced for dogs.

If you are interested in building additional buildings for family and friends or as a rental income, you have space for that! The 4-car garage is 1,170 sq. ft. with a concrete roofing.

This must-see property is the perfect escape to the paradise you have been looking for!
