

PSL Historical Pioneer News

Volume 2, Issue 3

Summer 2020

Hello Port St. Lucie Historical Society Members,

I hope you are all well and staying safe during these strange times we are experiencing. In spite of COVID-19, the Board of Directors of the Port St. Lucie Historical Society have continued working with the City of Port St. Lucie on a lease agreement for the Historic Houses at the Pioneer Park on Westmoreland Boulevard.

The agreement is awaiting the City Council's approval and the meeting is scheduled for August 24th at 6:30 PM., at the City Council's regular meeting. We have no reason to believe thus far that it will not be approved. The staff has been very accommodating and easy to work with, and I believe they also are looking forward to the agreement being finalized.

You may view the meeting on the City's Live Streaming both on line and on Facebook. It is also on Comcast Channel 20.

We would love to invite you to support the issue, however with social distancing in place and limited seating in the Council Chambers, we are not asking for you to attend this meeting, but rather, support us by emailing or calling the City Council to show your support. The City Council contact information is as follows:

Phone: 772.871.5159

Email: Councilwoman Jolien Caraballo, jcaraballo@cityofpsl.com

Patricia Christensen
Chairwoman

SOCIETY BOARD MEETS VIRTUALLY

Since April and the beginning of social distancing, the Board of Directors has been meeting virtually via Zoom, for their monthly meetings.

We are optimistically awaiting the restrictions from the pandemic to be lifted, however with the number of cases of COVID-19 still high, it appears it will take longer than we had hoped to finally be able to meet and gather again. In the meantime, we will still be doing our meetings via Zoom, and you are more than welcome to attend. The sign on information will be sent out several days prior to the meeting along with the agenda. We have enjoyed having some of you sign on and participate with us.

AMERICA'S AMAZON UPDATE

Our showing of the production "American Amazon" is still planned to be shown on October 16 at Santa Lucia River Club. We are continuing to monitor the COVID-19 crisis, and as the date draws near, we will make a final determination on whether we will still hold the event, or find an alternative date when things are safer.

If you purchased tickets, we ask that you hang in a little longer before any final decisions are made on refunds or alternate dates.

We appreciate your understanding. For more information email us at info@pslhistory.org
