

Port St. Lucie Historical Society

BE PART OF PORT ST. LUCIE HISTORY

As The Port on Westmoreland recreational area takes shape on the shores of the St. Lucie River, the Port St. Lucie Historical Society will be restoring two historic buildings, including a history museum. Engraved bricks will be installed on the plaza between the buildings.

You can be a part of this restoration by purchasing one or more of these bricks that will preserve in stone that you are part of our city's history. Proceeds from the brick sales will go toward the creation of a museum of our history.

NOTE: The Historical Society reserves the right to deny any brick application which it determines to be inappropriate by virtue of the stated or implied message. Purchasers have no control over the location, design, material, appearance, installation, maintenance or repair of the brick. No addresses, phone numbers or websites will be permitted on bricks.

The prices for the bricks with custom logos include a one-time charge of \$100 for creating the artwork. Contact us at bricks@pslhistory.org if you wish to purchase additional bricks using the logo at the price of text-only bricks.
