

JADE  
I don't know! I didn't think and  
just signed it. What am I going to  
do?

Gina thinks a moment.

GINA  
There's only one logical solution.

JADE  
What?

GINA  
You're going to have to rob this  
man?

JADE  
What!

GINA  
Come on! Look at all this stuff in  
this house! Do you even use most of  
it?

Gina holds her arms out.

JADE  
I can't rob him. How can I rob him?

GINA  
You don't have much choice. If you  
don't what are you going to do?

Jade sighs in defeat.

JADE  
You're right. But how do we do  
that?

GINA  
This is your house, how would you  
do it? Well, it's his house.

JADE  
Hmm?

Jade sits back and think.

JADE (CONT'D)  
Oh! I got it! Just break a window.

Cops bust into the house front door.

COP #2

Gun!

The cops open fire on her. Jades body shakes from the bullets and falls to the ground.

FADE TO:

10 INT. MANSION - LIVING ROOM 10

Jade's face is twisted from her plan.

GINA  
A black woman caught robbing a  
house like this?

JADE  
Ok. Ok. How about I leave a window  
unlocked?

CUT TO:

11 I/E. MANSION - WINDOW 11

Jade walks up to a window and looks around suspiciously. She opens up the window and climbs in. She struggles in the window frame and falls through to the inside.

GINA (O.C.)

Bitch, how?

Jade looks into the camera and the rope breaks and she falls with a pitiful scream.

CUT TO:

15 INT. MANSION - LIVING ROOM 15

Jade falls back into the couch in frustration.

JADE

Ugh! I'm screwed!

GINA

Look. This place has crazy security. Your best bet is to make it seem like the person got in from outside the gate.

JADE

How?

16 EXT. MANSION - DRIVEWAY - DAY 16

Jade is checking the mail.

GINA (V.O.)

Let's say you're innocently checking the mail and all of a sudden this masked villain comes up and sticks a gun in your back.

A masked person walks up behind Jade and sticks a gun in her back and forces her to walk.

GINA (V.O.)  
And walks back in the house with  
you.

17 INT. MANSION - FOYER 17

The masked person walks Jade in with their gun and pushes her on the ground when they get in.

GINA (V.O.)  
Then, they tie you up and rob the  
place.

18 INT. MANSION - BEDROOM 18

Jade is tied up to a chair with a gag around her mouth.

GINA (V.O.)  
But in reality, you and I get a

find that's has value and take it  
to the swap meet and off load it  
all.

19 EXT. MANSION - CLOSET 19

Gina walks into a large walk-in closet with small box and throws jewelry into it.

tomorrow.

23

Gina closes the back of the truck, hops in and, drives off.

JADE (V.O.)

What about Thomas?

GINA (V.O.)

He believes y'all got robbed, you  
go through with the divorce with  
some money.

24 INT. MANSION - BEDROOM

24

THOMAS (male, 30s, well dressed) walks into the bedroom in a  
rage.

THOMAS

Jade! Where the hell is-

The room is empty. He takes off his coat and tosses it on the  
bed as he walks towards the closet. He hears a grunting  
coming from the closet.

INT. MANSION - CLOSET

Thomas walks into the closet. Jade is tied up sitting on a  
bench seat trying to get free, and runs to her.

THOMAS

Oh my God! Jade! What happened?

He takes the gag off her and unties her.

JADE

(almost over exaggerated)  
I was outside checking the mail  
when someone stuck a gun in my  
back. They brought me in here and  
tied me up. I was so scared!

Thomas hugs Jade when he gets her free.

JADE (CONT'D)

They got almost everything of any  
monetary value.
