

JESSA

What do you mean? Are you imaginary?

AARON

No, come on Jessa. I'm serious.

JESSA

Look, just celebrate that you don't have to deal with that bitch anymore so you can find the next one.

Aaron sits back on the couch.

AARON

That's all I ever do is find the next one. I want to find 'THE' one.

JESSA

There is no 'THE' one. You date many and you just pick one that brings something to the table, like a Mercedes.

AARON

What is this-the 50s?

JESSA

You're right; people don't date. They just screw each other.

AARON

I don't want to just find a hole for my dick, you know that.

JESSA

I know or you would have lost your virginity years ago.

AARON

Thanks for reminding me, yet again, that I'm a virgin. Why not just tell the world!?

GARETH (O.S)

We already know!

JESSA

Shut up Gareth.

GARETH (O.S)

Would you to just fuck already and save us all some time!

AARON

Stay out of this!

GARETH (O.S)

Can't make me.

JESSA
I'll cook you waffles.

GARETH (O.S)
With strawberries?

AARON
For dinner?

GARETH (O.S)
Stay out of this!

JESSA
Of course with strawberries?

GARETH (O.S)
Deal!

Gareth turns some music on.

Aaron looks at Jessa as if he thought of a great idea.

JESSA
No.

AARON
Oh come on.

JESSA
No!

AARON
Just hear me out.

JESSA
Look Aaron, I know what you're
thinking. I've taught you many
things about sex.

AARON
Yes, techniques, hotspots,
seducing, female trade secrets!

JESSA
All to help you with someone else.
Not me. I'm not going to be your
virginity-snatching sex training
thing.

AARON
Why not?

JESSA
Can't you see how twisted that is!?

AARON
Give me one reason why it's a bad
idea. We have sex, just once.

JESSA

We've known each other since middle school. We are FRIENDS we've seen enough films to know things like this only make things complicated. Let's says we do have sex and you want more or I want more.

AARON

Come on Jessa, it could be fun.

JESSA

Aaron, this isn't like you're trying to get me on a roller coaster. You are trying to convince me to let you put your dick inside of me.

AARON

Alright fine. I'll stop asking.

JESSA

Thank you. You can come with me and Sylvia, but don't expect some cheesy scenario of everything working out in the end.

AARON

That's my point. You know I want to lose it to someone I care about and not some prostitute. That's you.

JESSA

I was NOT a prostitute. When he said he was in the trade I thought he meant stocks!

AARON

No not!...wait, Jimmi wasn't a stock trader?

JESSA

Stay focused.
