installation of
officers. Meeting
open to all
property owners.

HHDC Board Updates: (Board members, Pres. Steacy Housholder, Treasurer Jeanie Ahrens, VP Chris Caswell and Secretary Sally Tatham) The Board met April 14, 2021. Topics of discussion and decisions include:

The HHDC Budget for 2021-22 was adopted (Budget and Budget Overview is attached).

The membership assessment will remain \$500 for active membership and \$200 for road maintenance. We love our private community and are happy to announce that all but two owners have chosen to financially support our roads and/or amenities!

At the May 23rd meeting these issues will be included on the agenda. Owner input is welcome. Please contact any Board member to add agenda items.

Traffic speeding on HHDCA roadways. Speed bumps?

Owners maintaining roadside clearance of vegetation. Note: Tall grass, weeds, etc... in the right of ways along all roads will be cleared by volunteers starting the end of April.

Trailers not being used can be stored in the RV lot.

Erosion and drainage issues along the creek bank.

Thanks again to all those who have volunteered their time and labor to help both take care of our community and help keep costs down.

Hey Look! The tractor is running and ready to go to work pulling stumps and hauling big stuff! Thanks to all who helped get the old Ford going!

A BIG WELCOME TO:

**Hawks Hill Development Association
New Property Owners and Full Active Members**
Jennifer Bazick - Lot 46, Jennifer Housholder - Lot 47,
and Timothy Housholder - Lot 48.
