9:25 Secretary's Report-emailed out

9:30 Treasurer's Report - Membership dues collected \$20 for 2020 and 2021. Report given.

9:40 Old Business

- Loon Report – Lyle- Loons nesting on Switzer point. Last year a male was killed from jet ski, so be careful. Last year hatches were late.
- Eagle's Nest-Lyle, we have not seen any babies, have seen eagles.
- Fisheree August 14th Pass around sign-up sheets. Tickets passed out, and posters need to be passed out.
- Prizes, discuss make it a win-win for both parties. Ask your friends or work if they have donations.

- Lake Appreciation Party discussion if we should have one. We do have a pig still coming. We could raffle it off. One suggestion to sell at food tent. Majority not to have it. Motion to use at raffle. Motion accepted. Will not have appreciation party.
- EWM/Lake Management- reported Survey done in fall. Cost \$3,000. Cost for picking around \$4,000. DNR did fund us \$4,400. Our fisherie made \$20,000, last year. Lake management Plan was voted down last year. Report will be mailed out. Discussion if we should continue this. Should we do report and picking. Voted no on Lake Management plan. Option to do nothing for one year-8 votes. 42 voted to continue program. 5 voted not to pick and do survey. Conclusion to continue program.
- DASH-(Diver Assisted Suction Harvesting.) We are bringing in Speaker. We have a boat. There is grant money available and will bring back more information from Chuck Druckery.
- Pike and Large mouth removal. The netting has not been productive. Electrofishing is more productive on Large mouth. In sept the DNR will stock walleye. We are seeing natural production of walleye. DNR and Mole Lake will do surveys.
- Boat Parade- discussion if we should have one. Agreed to have on July 3rd at 3pm.
- Roberts Lake Website – SuAnn Senso is the webmaster. Check it out. She is administrator of our Facebook page as well.
