In Memory of Carole Rothermel Mayden Scholarship Application 2024

DUE DATE: Friday, March 15, 2024

Scholarship Awards Program, Wednesday, May 8, 2024

This is my first year (**Kimberly A. Mayden**) offering this scholarship in memory of my mother, Carole Rothermel Mayden who was a 1950 CPHS graduate. Carole chose to be a homemaker who provided love and support to her husband, Robert, five daughters and two sons, her many grandchildren and great-grandchildren. She had a love for the Arts and enjoyed reading, listening to music and attending plays. Her greatest passion was creating artwork from the sea shells collected from the shores of Sanibel Island, Florida. She won numerous blue ribbons at Shell Shows. Carole also used many of the shells to create "one-of-a-kind" shell gifts through her business "From the Shores of Sanibel". Education for her children and grandchildren was always very important along with a strong work ethic.
