**Scholarship Awards Program, Wednesday, May 8, 2024**

This is my first year (**Kimberly A. Mayden**) offering this scholarship in memory of my brother, Jeffrey Scott Mayden. Jeff was a graduate of Crown Point High School class of 1987 where he played #1 singles and was the captain of the tennis team his senior year. Jeff graduated from Florida Tech University in Melbourne, Florida in 1991 with a double major in Aviation Management and Flight Technology. He was a commercial airline pilot for 27 years and a member of the Allied Pilots Association. Jeff loved aviation as a young child and always knew he wanted to be a pilot. He was an avid Notre Dame Football fan and he had passions for boating & fishing which he shared with his father.
