

## **Partner Membership Recurring Monthly Terms and Conditions**

### One Calendar Month Minimum:

There is a one calendar month minimum. When you join, you will be charged the initiation fee as well a prorated amount for your initial month (that is, if you join half-way through a month, you're charged the initiation fee and half the monthly rate for that calendar month). You will then be billed for the following month on the first of that calendar month. After the first full month, you can cancel at any time.

### Billing:

Monthly membership dues will be paid to Valley Rock Gym by Electronic Funds Transfer (EFT) and will be billed on the first of each month.

Partner recurring memberships must be billed to one (1) credit card and account. Membership dues cannot be split between partners.

Unlimited shoe rental can be added to a Partner Membership for an additional \$5/person/month.

### Proof of Partnership:

Both persons must show proof of shared address to receive a discounted membership price.

### Membership Changes:

Membership changes must be done by email to [membership@valleyrockgym.com](mailto:membership@valleyrockgym.com). Staff cannot freeze or cancel your membership at the desk or by phone. To cancel, freeze or request a different change in your membership, send us an email 5 days before the first of the month.

### Freezing:

Climbing trip? Dissertation? Freeze your membership for as long as you like, and you won't incur an initiation fee when you come back.

Memberships can be frozen for \$5 per month per member. Membership freezes require a minimum of one month freeze time. **Freezing a partner membership requires both memberships to be frozen.**

All freezes begin on the 1st of each month.

If you wish to freeze your membership, you must email us 5 days before the 1st of the month of which you wish to freeze.

When you reactivate your membership, you will be charged a prorated amount for the remainder of the billing month.

Partial or entire gym closures occur infrequently due to special events and maintenance. Membership dues will not be amended under these circumstances.

If a closure is caused by COVID 19, we will 'freeze' your membership until we are able to safely reopen.

Canceling:

You can cancel at any time, effective on the first of the following month. (That is, we will not charge you again after you cancel, but you will not receive a refund for the remainder of the month for which you have already been charged.)

NOTE: The cancellation or expiration of your credit card does not automatically cancel your membership or this agreement. If your card is canceled or expires, you will continue to be invoiced and you agree to pay these invoices according to your card issuer agreement.

In the event of a declined EFT, the Valley Rock Gym will notify you via email that your card was declined. After being notified, you will have 10 days to remit payment. After 10 days, a \$10 bank decline fee will be charged to your account.
