# ENQUIRY

## ONE

### ENQUIRING WITH SEED & WILD

Enquiring with Seed & Wild is easy and straightforward. Whether you're working with a planner or planning your wedding yourselves. You can enquire via the booking form on my website or via email. Once you've enquired I will confirm my availability with you, and send over available dates for you to book in your complimentary zoom consultation.

## TWO

### CONSULTATION

Within our consultation I will guide you through each floral element, listening to your wishes and making suitable suggestions reflective of your ideal spend. A consultation allows us to discuss in depth; your vision, your vibe and the overall feel you'd like to achieve on your wedding day.

## THREE

### QUOTE

Once we've discussed your wedding floral plans, you'll be provided with your tailored quote. Whether you're sure of your designs or need some guidance your quote will provide everything you need to know to help make a decision. Along with pricing you'll receive a floral mood board, style board and colour palette inspiration.

# BOOKING

Once you confirm you'd like to go ahead with your booking a 10% booking fee is required to secure your chosen date. You'll then receive a link to a shared Pinterest board where we can continue to collaborate throughout your planning process, and I'll be available to you as much or as little as you need. With our final meeting then being planned for 6 weeks before your chosen date. This gives you time to make any changes you may need and inform me of any logistical or timing changes.

# ON THE DAY

Once your big day arrives i'll be there to personally deliver and set up your flowers and wish you well on the day you've poured your heart and souls into. If you've opted for a venue that requires a turnaround i'll be on hand to do this for you, giving you the time to focus on your partner, family and friends and give you the time to enjoy your beautiful day, completely stress free.

## TESTIMONIALS

“Chelsea, we cannot thank you enough. The flowers were beyond our wildest dreams. The bouquets were the most beautiful we've ever seen, and the church and marquee displays were out of this world. You've been an absolute joy to work with and we're so grateful for all the hard work you put in.”
