At your side.
brother®

New BERNINA & Brother owners need to attend classes within six months of purchase. (We reserve the right to charge for all new owner classes after six months from date of purchase.) These classes are essential for you to gain full value of your machine and required to validate your warranty. Even if you have been sewing for years, there will be techniques presented that will be new and different on your new machine. The number of classes needed depends on the machine purchased. Be sure to call or come by and schedule your classes and bring a USB stick for loading New Owner Class files (for both BERNINA and Brother). *Free when purchased at Sue's. Cost vary when purchased elsewhere. (see class description).* Class Supply list under class description. Please bring all supplies listed for each machine lesson.

It is important that we start and end as close to the announced times as possible. We reserve the right to reschedule or cancel any classes with less than three attendees. Thank you for your assistance.
