CAPABILITY STATEMENT

CORE COMPETENCIES

Concept Advancement Research Development LLC (CARD LLC) is a management consulting company that provides administrative services, research and development.

Our main mission is to **connect under-represented businesses with public and private funding and contracting opportunities**, while our focus is on developing actionable plans for implementing programs and projects to stabilize and expand our clients' reach into new markets.

We are a certified reseller for **Ingram Micro** and **Synnex** for IT solutions and hardware.

DIFFERENTIATORS

- **Vast Professional Network Connections**
- **Quick Turnaround On Projects (Weeks Not Months)**
- **Extensive Administrative Services & Business Experience**
