## President's Letter

BSCBAA President, Susan McMahon

As the 2022-year ends and 2023 begins, on behalf of the BSCBAA Board of Directors, I hope all of you had a very Happy Holiday Season filled with many blessings and memories. We too wish to thank you all for your continued support throughout the year. With that support, we have been able to accomplish many of our collective goals and objectives and achieved some wonderful milestones. To list a few; The BSCBAA AKC license status to hold All Breed Conformation events was approved after a very successful membership vote to change our bylaws in accordance with AKC requirements and are now formally licensed by the AKC. THE BSCBAA has now been approved to hold the Inaugural AKC Boykin Spaniel National Specialty. This event will be held on March 8, 2023, in conjunction with the San Antonio Kennel Club at the Hill Country Cluster of Dog shows, March 8 – 12, 2023 at the Hill Country Youth Center, Kerrville Texas. Also of great importance, the BSCBAA has commissioned legendary silversmith, Clint Orms to create special pieces to commemorate this inaugural event. In Conjunction with the Boykin Spaniel AKC National Specialty Show, we will host a Boykin Spaniel Specialty AKC Hunt Test Saturday and Sunday, March 4 & 5 at Texas Trace Ranch and Kennel, Pine Island, Texas. Premium and Registration information will be at [HuntSecretary.com](http://HuntSecretary.com). There are several events being offered during the National Specialty Week. We are looking for sponsors & if you would like to be a sponsor, see details on **p. 6**. Don't miss anything! Please read beginning on **page 4** of this issue for all details on the National Specialty. As new information comes in, visit our [NS BSCBAA Website Page](http://NS BSCBAA Website Page).

The BSCBAA held our first, very successful, what we hope will be an annual event, Woman's Weekend. BSCBAA Member and Board member, Dawn Fields, a renowned world class shooter, CPSA Certified Instructor, NSCA Certified Level 1 Instructor, CPSA Certified Safety Instructor and a 9 X All -American led the weekend. We are pleased to announce that this event's profit for the club was the **largest BSCBAA fundraiser to date according to the club's history**. Go to brags to see photos [page 8](http://page 8).

### BIOS

**Cassandra Jacobsen** - Bellaire, Texas, SW –Cassandra Jacobsen is a native Houstonian & huge Boykin Spaniel lover! Her and husband, Jonah, are the parents of a 2yo Boykin - Cordova's El Paso (Ellie). They currently live in Bellaire and love taking Ellie for long walks and playdates with her Boykin Spaniel cousin, Birdie. Cassandra went to law school at the University of Houston and has experience in insurance defense, medical malpractice defense, and court-appointed receivership. Cassandra is currently on the Communication Committee of the BSCBAA and graciously donates her time helping with the social media aspect of the Club. She has recently created an Instagram Account for the Club and hopes to expand our social media presence for the Boykin Spaniel. As a board member of the BSCBAA, she looks forward to becoming the administrator of all our social media pages and promoting the breed across various social media platforms.

**Mike McMahon** – Sugar Land, Texas, SW – Mike serves as the Senior Vice President, General Counsel, and Secretary of Boardwalk Pipelines GP, LLC. He has been employed by Boardwalk and its predecessors since 1989. Mike attended Washburn University in Topeka, KS receiving a BBA in economics and his Juris Doctorate. Mike currently also serves on Boardwalk Pipeline GP, LLC's Board of Directors. Over the past 30 years, Mike's practice has had a significant focus on natural gas regulations and policy. Mike also serves on the Board of Directors of the Interstate Natural Gas Association of America, (INGAA,) and was it's chairman in 2016 and is currently serving as INGAA's second vice chair. He also serves as the boards representative on it's legal and rates committee. Mike is presently active in the BSCBAA and on the Legal & Governance Committee as a vital special legal advisor. He has hosted, financially supported, and worked many BSCBAA events. Mike has been an avid bird hunter for nearly 60 years and now hunts with his two Boykin Spaniels, Cooper and Charlie. His Boykins are avid hunters, field competitors and they have competed successfully in the conformation ring accomplishing many titles and accolades. Both of his dogs have competed at the AKC National Invitational and his eldest dog, Cooper competed and won Breed at the Westminster Kennel Club Dog Show 2021. Mike has volunteered to be the Chair of the Hunt Test Committee for the 1<sup>st</sup> Boykin Spaniel National Specialty AKC Hunt Test. Mike and wife, Sue, are very proud of their Boykins. Their goals are to keep educating the public about the Boykin Spaniel hunting instinct, heritage, and loyal companionship through service with the BSCBAA. Mike is pleased to serve on the BSCBAA Board of Directors.

**Derrick Odom** - Cochran, Georgia, SE - Derrik and his wife, Debi reside in a small town in Middle Georgia, where he is currently retired. Derrik has been the proud owner of Boykin Spaniels since the mid 1980's, when they were virtually unheard of outside of the state of South Carolina. An avid hunter, his dogs have always been both valued hunting partner and family companion. A firm believer in all things Boykin, his dogs have participated in AKC Conformation, Barn Hunt, Dock Diving, and titled in Rally/Obedience and Spaniel Hunt tests. Having previously served as a member of the BSCBAA Board of Directors, Derrik brings to the club experience in organizing the Fall and Spring Spaniel Hunt tests held here in Georgia as a member of those Hunt Test Committees. In addition to his devotion to preserving the hunting instincts of our breed, he and his wife occasionally breed their Boykins while adhering to the BSCBAA standards of health testing and are very interested in breed education. Derrick would be honored to contribute to the club by serving another term on the Board of Directors.

**Tim Pullian** - Tebbetts, Missouri, MW - Tim is a trainer/handler/exhibitor in AKC conformation, companion, and performance events. He has earned conformation Championships and AKC Retriever and Spaniel Hunt Tests titles and numerous other performance & companion titles on multiple dogs. The Pullians have exhibited at the AKC National Invitational, many AKC National Specialties and Westminster Kennel Club Dog Shows. In addition to the BSCBAA, Tim is a member of the English Springer Spaniel Field Trial Association and the Flatcoated Retriever Society of America. Tim is currently employed with the University of Missouri – College of Veterinary Medicine with the Animal Molecular Genetics Laboratory in Columbia, Missouri. Tim spends his spare time training and competing with the dogs, and spending quality time with his family. The Pullians have trained, handled and exhibited many breeds including the Boykin Spaniels in numerous events. Tim is a previous BSCBAA board member and currently on the Hunt & Field Committee. Tim and Cathy both are AKC Spaniel Hunt Test Judges and have recently judged the BSCBAA AKC Hunt Test in Georgia. With invaluable experience in other breeds and national breed clubs, Tim brings vital knowledge and practicable know-how to the BSCBAA Board and to Boykins. He recently has been approved to Judge our 1<sup>st</sup> National Specialty Hunt Test this March of 2023.

**Kathleen Yeaman** – Tomball, Texas, SW - Kathleen and her husband Clay Yeaman live in Tomball, Texas. They have two children, Ashton and Andrew who are almost grown. Kathleen graduated from the University of Houston with a BBA in Finance and spent 12 years in gas accounting. When their oldest started school, their priorities changed, and Kathleen quit working to stay at home and educate their children. Ashton is a junior at the University of Houston and Andrew is in his senior year of high school. Their family has been members of Champion Forest Baptist Church since 2003 where they serve in the Deacon ministry, play in the orchestra, and serve in Kids ministry. They take a mission trip each year to Gallup, NM where they teach Navajo children Bible lessons and help serve the city by completing small construction projects. They have three Boykin Spaniels, Cori, Covey, and Cullen. Cori is the pack leader as she has been with the family since she was a puppy. Covey came a few years later and he's a good boy recognizing his place. He's a gentleman. Cullen is one of Covey's puppies and, at 10 months old, has so many lessons to learn. Kathleen took to the breed for their intelligence and affection and uses Covey as a therapy dog. Covey is a kind, affectionate, snuggle buddy who loves visiting memory care facilities, foster care families, and going to church. He is a member of Angel Paws Pet Therapy Ministry through Champion Forest Baptist Church. Cullen is an aspiring Angel Paws pup too. Education is important to Kathleen and her family, both teaching and learning more. The Yeamans have assisted in Meet the Breed events and have thoroughly enjoyed introducing the general public to the breed. Ashton and Andrew just love playing with all the dogs at events. They probably don't realize that they are showing off one major advantage of the Boykin Spaniel - their excellence at being a family dog. Kathleen has served the club as Treasurer or Assistant Treasurer for five years. She would like to continue learning more and educating others about the breed.

Nominees are for the Class of 2026, which means they will serve a 3-year term beginning at the 2023 Annual Meeting, March 6 and ending in 2026. In accordance with the Bylaws, additional nominations of the eligible members may be made by written petition signed by five members, addressed to the BSCBAA Secretary, and received at the BSCBAA's Post Office Box 781, Cypress, TX 77410 on or before 30 days after membership notification of the slate of Directors has been sent. There were no valid additional nominees received by the secretary on or before 30 days after the sent date of this notification, the nominating committee's slate shall be declared elected at the time of the Annual Meeting and no further balloting will be required.

This event in October, 2022 turned out to be so successful and a wonderful fundraiser for the club. The food was great, the shooting lessons were awesome led by Dawn Fields with great expertise, the upland hunt demo was very informative, along with the gun cleaning and grooming sessions. The event and auction raised the most funds since the club's inception, but more importantly it was the comradery that was the most memorable and looking forward to this being an annual event.
