The Martian started the April rally on a space-themed note. Our April host group planned everything so nicely.

Friday the hosts led a group to Hemphill to tour the Patricia Huffman Smith Columbia Space Museum and lunch together.

Happy hour was held on the newly pressure washed and freshly painted clubhouse patio. (Thanks TAHI for providing such a great facility!)

After potluck dinner, almost everyone either played or watched a couple of exhilarating balloon volleyball games as practice for the upcoming Region 9 Rally in Abilene.

Saturday's breakfast was well attended before the business meeting. That evening, diners were met in the parking lot with an "Astronaut Transport Vehicle" (Janie Wagenor's Airstream-just like real astronauts use!).

Dinner was served by astronaut crew members complete with young Charles Lovelady, future astronaut.

Sunday's church service was a message on positive thinking in a world of

negativity. Soon after, a caravan departed for Abilene for the region rally.

We look forward to the annual Doc Cain Fishing Tournament! Details inside

Airstreamers,

You're invited to participate in the 6th Annual Doc Cain Memorial Fishing Tournament to be held during the May Rally of the Texas Gulf Coast Unit at Texas Airstream Harbor on Sam Rayburn Lake just outside of Zavalla, TX. This is also our Buddy Rally so invite your non-Airstream friends and expose them to the Airstream way of life.

The tournament is a fisherman's choice, meaning fish for Bass, Crappie or Catfish. This is a fun fishing tournament, however prizes and ribbons will be awarded for the largest fish caught in each species as well as the most caught in each category.

Bring your boat if you can..but if you can't or don't have a boat...no problem. Several TGPU members who live at TAHI have boats and will be glad to take guests out.

2018 News & Views

Several new American Flags are flying in the park. Randy & Nancy Robinson replaced four flags that were worn and tattered. The replaced flags will be kept until they can be properly disposed of during our November rally with some Boy Scouts.

David and Aundria Walker donated several flags for future use, too. Currently 6 plaques are being produced to recognize loved ones in memorial.

Members can replace flags and have a plaque mounted on the light pole to honor or commemorate a loved one.

Road work has been on going for the past three weeks in the park...Magnolia, Oak and Pine street have been worked over with new base and 2.5 inches of asphalt compressed to 2 inches.

Several folks in the park have signed up with the road building crew to put new asphalt in their driveways. That work was halted due to rain and wet ground but will soon resume.

So much has been going on..including a great Work day in which 20-25 folks showed up to clean up...the crews power washed the patio, painted the outdoor furniture, moved some inside furniture around...cleaned the laundry room and

placed new chairs there to add a bit of comfort to those who have been doing laundry. And please notice new round tables that were donated and used during the April Spaced Out rally..Thank you donors..the TAHI Pride is alive and well...

A second proposal was also presented regarding Transfer of membership (member to member) that will require a \$500 Fee made to TAHI Corporation before the transfer of an RV site or mobile home site.

Proper notice of the proposed amendments have been sent out to the TAHI membership and a vote will be taken on the proposed changes during the May meeting. All members are encourage to attend to vote.

A ballot will be presented during the May Membership meeting for a vote on the proposed amendment(s).
