TGCU

YELLOW ROSE NEWSLETTER
Texas Gulf Coast Unit

...from the President

What a whirlwind of excitement! Streaming on the Strand was an absolute blast, wasn't it? But wait, the fun didn't stop there – our TGCU February Mardi Gras rally took the cake, literally! Picture this: delicious food, lively entertainment, and the best camaraderie you could ask for. And let's not forget the highlights – those fabulous costumes and Karaoke!

While on our travel adventures, Gil and I had the pleasure of meeting so many incredible people during our summer journey. From coast to coast, we made new friends at every turn. And guess what? Some of them even made their way to Texas Airstream Harbor to join our tight-knit community. Let me tell you about Kevin and Deborah Rogers from ARK LLC – true embodiments of their organization's name, Acts of Random Kindness. These wonderful folks not only participated in our February rally as camper clinic professionals but also lent their expertise to many of us at TAHI working wonders on our beloved Airstreams.

Now, as the President of the Texas Gulf Coast Unit, one of my missions this year is to ensure that each and every one of our members gets to experience the magic of our rallies. And boy, do we have some exciting plans ahead! Mark your calendars for April because we're gearing up for a caravan to witness the lunar eclipse, courtesy of our very own Fred Richardson, President of Texas Airstream Harbor. And let's not forget about the eagerly anticipated Doc Cane fishing tournament from April 11th to the 14th at the Brookeland KOA. Spots are filling up fast, so be sure to reserve yours by calling 409-698-3422 and mentioning you're with the TGCU rally.

But here's the twist – this year, we're switching things up. Instead of the usual fishing tournament, we're diving into catch-and-release action at a stocked pond. It's bound to be a reel good time!

With our fantastic rally team leading the charge, this year's events are shaping up to be absolutely unforgettable. So, what do you say? Join us on this adventure-filled journey – trust me, you won't regret it! -

Twenty Questions

Players: 2-6

Great game for the campfire because it's entirely verbal!

One player picks a thing (any person, object, animal, etc.) and doesn't tell anybody what it is. The other players have 20 yes or no questions to guess what it is, including the final question which should be "Is it X?" (where X is the correct thing)

*"Everyday" is Your
Chance to Make TAHI
A little better!*

TAHI had a lot of guests come through in February and appears several are scheduled for March, In the park now are two (2) from Canada and another Canadian coming the last of February for 4 days. Some from New York and others from around the country. Kudos to Dana Kelley, Ava Daniels and Robert & Susan Warner, Bob & Jolinda Lauderdale who have and will be serving as TAHI Hosts thru-out the year. I don't want to leave out Nina Welling who has made gift bags with Dish towels embroidered with TAHI/Airstream graphics. We love company at Texas Airstream Harbor. All highways lead to Texas Airstream Harbor...Our new slogan ...

No Whar but Texas!

Speaking of the new slogan..Marketing had 500 Business Cards printed to be distributed to prospective Airstream owners at Austin Airstream recently that Region 9 President Nancy Fitzgerald participated in. Please feel free to go by the clubhouse and pick up a few for your own distribution during your travels..

A couple purchased a lot on Pine street from the Moores and were vetted during the February TGCU Rally. Please welcome Karl and Gayle Yeager from Arcadia, Florida.

Recently the board acquired three lots that we will have for sale over on Elm street. Two of them with big beautiful Oak shade trees on them and a third lot right next to them toward Angelina street. The previous owners returned the lots back to TAHI. If you're interested please contact me or any board member ...deals to be made!

Recent heavy rains filled our lake back up on the point and we're seeing a lot

of boats coming by fishing. A couple of our residents braved the water and weather and went out on a few fishing excursions...however the fishing report was not real good. But with Spring blooming everywhere and the redbuds are out (that's an indicator that the crappie will start real soon) I'm hoping the crappie will begin to move into shallower waters and produce some good catches. Rumor has it that the Corps will let water out again soon as construction around the dam was not completed before the rains.

A flyer for Lufkin Ford Mobile Service. It features a blue and white color scheme with a yellow and blue swoosh. The text includes 'LUFKIN FORD', 'MOBILE SERVICE', 'CHRISTINA BARNETT', 'REMOTE EXPERIENCES COORDINATOR', and a list of services offered. There is a photo of Christina Barnett and a photo of a white mobile service van. A yellow smiley face character is also present.

Here is some great news!..Recently I was looking all over Lufkin for a place to change the oil in my Ford truck with Motorcraft oil. The only place was the Ford House. Having only a limited amount of time and no appointment I went by to check...They told me about a new mobile service program where they could come out to my house at TAHI and do the oil/filter change at my house for the same rate as they normally charge. I set up an appointment and they came out and performed the service cheaper when driving to Huntington. They even rotated my tires (included) and performed several checks of fluids, battery and brakes

...all in the comfort of my home. They did say

that this service was available to all makes of vehicles, gasoline and diesel models. Give them a try. This is a flyer that I picked up and will have it posted in the clubhouse, too. Give them a call and set up a time. Another great advantage to living at TAHI...and a bonus for visitors that travel here from all over that might need auto service.
