TGCU is YOU

The December 10-12 rally features the installation dinner and silent auction on Saturday night. Dress code request is for all attendees to wear black and white so that we bring back the traditional feeling from the rallies of yesteryear. Volunteers are already working on themed decorations in black and white to dress up the clubhouse for the occasion. A special dining experience will be enjoyed by all in attendance.

Plans are underway for a full slate of themed rallies, activities and caravans to fill up 2022. A rough draft of the schedule for the entire year will be presented at the member meeting on Saturday morning, but there are two items we want you to start thinking about now:

The January rally is being held one week early (January 6-9) because of the IBT meeting in Savannah, Georgia. The theme of this rally is "Movie Titles/Famous Songs/Broadway." Please come to Saturday's dinner dressed as (or carrying a prop) a famous song or movie title or character. ("G" and "PG" rated films only.)

Research has begun for a possible TGCU member (group rate) 10 day Princess Cruise (round trip Panama Canal) sailing out of Fort Lauderdale, FL in November. Details will be presented Saturday morning at the member meeting. Pricing will be affected by the number of staterooms we book together, so we are hoping for good participation.

We are all volunteers. **"TGCU is YOU."**

We are looking forward to **everyone** pitching in at the rallies so that they are enjoyable for all.

TAHI News

From the President of the Board

December brings Tahi the opportunity to place new talent on our board. Please take the opportunity to select your choices at the membership meeting. The sewer plant team is making great progress and that committee will update us at the December membership meeting.

Wishing everyone a safe holiday season! Many of us missed our traditional gatherings last year and it's certainly been a blessing that our scientists have provided vaccines to help keep us safe this year.

Scott
