Moving Forward

Hope you all had a great Valentine's Day! I hate to disappoint, but if you are hankering for green beer, the "Green is the Thing" gathering is being pared down to a meeting only. Even though vaccinations are on the rise in our area, we need to proceed with caution. Our March meeting will be to simply transition to the new TGCU Board of Directors. We will not be serving breakfast or dinner to avoid being in close contact with one another. The TGCU meeting will be at 10:00 am as usual with the TAHI Membership meeting to follow at 11:00 am. All Covid protocols will be observed.

TAHI News

From the President of the Board

The COVID pandemic has continued to interfere with all our lives in so many ways. We have still not handed over the reins of leadership with the TAHI Board of Directors. Recently, we had a special membership meeting to address pressing issues in the park. Social distancing with mask wearing was observed. Business items addressed were the collapsing culvert at the entrance. It will be replaced as soon as possible. The sewer plant will receive some much needed repairs, and the deteriorating roads will be further studied for a plan of action. Several committees have been formed. Some future workdays will be on Saturdays so that non-residents can be more involved. Hopefully, at our annual March membership meeting, new directors will be elected, the road repairs will be addressed and business as usual can be resumed. Once again let me say it has been a privilege to serve as your president. I could not have fulfilled this position without the unwavering kindness and support of my dear friends of the board. Thanks to all of you! Stay safe and healthy!

WORK DAY ATTENDANCE REPORT for 2/4/2021:

***Approximately 20 people participated. That's 16% of
the membership which stands at 121 people. How can
we increase that participation? At some point, we may
have to look at different options. Your input is welcome!***
