... from the President

Maybe it's because we got used to a slower pace with COVID, but February 2022 has been an incredibly busy month! A lot of work was done on workday Thursday sprucing TAHI up for the Rally. Bingo that night was well attended, and it was wonderful having Master Bingo Caller Carl Graham, spinning the numbers, for the first time in several years. Bingo was followed by ice cream and fellowship.

Friday evening, many folks really brought out some spectacular 'heavy' hors d'oeuvres (*be proud of what you bring*) along with a dozen or so wedding photos. We saw that some folks just don't age, and others aged really nicely, *like a fine wine*.

Saturday breakfast saw a change in the way eggs were served. There were many favorable comments, and they will continue to be prepared that way in the future. Have no fear, Omelets will be back at certain rallies.

FEELING LUCKY RALLY

The membership meeting could have had higher attendance, but those who did join us met a local candidate for public office, and many TGCU plans for the remainder of 2022 were also shared.

Vice President/Newsletter Editor Debra Green has done a great job with our newsletter! She has also found various local businesses to place ads in our newsletter. We appreciate their ads and the treats & prizes they have generously donated.

The 2 o'clock Trailer Clinic only had a few in attendance, but it was nice to have some ladies join with really good questions.

The February Host Group led by Ms. Dee Smith & Susan Warner, decorated the tables with hand painted Valentine themed centerpieces they made, as well as prepared a delicious chicken dish that was enjoyed by all. Afterwards, 1st VP Debra & Region 9, 1st VP Nancy Fitzgerald led us in several cute and fun Valentines games. Then we were treated to dance lessons with Brenda & Roy Moore. The floor opened, and we enjoyed 6-8 couples putting on a show. Awards were given for different events of the evening. A list of winners is later in the newsletter.

On Sunday, after Mr. Fred Richardson's always inspirational message, a very brief clubhouse cleanup was held since several of us were leaving for Pat Pat Muller's Valentines Campground over in Kingsland TX.. For future reference, caravanning on Super Bowl Sunday with seven rigs, is not an ideal choice for 300 miles. Ms. Dana Kelly did a fantastic job towing and setting up all by herself. I've always said it's very important for everyone to know at least the basics of their rig, that way should something happen, they can at least get hooked up or be able to assist somebody who is helping them. We arrived just before dark and after getting parked, we proceeded to join a fish fry Pat Pat

& Ms. Susan & Ms. Isabella had going on. It was well attended by their other guests, with multiple wide screen viewing areas, both

indoors and out. Pat Pat had several "Super Bowl squares" going and the Lovelady's made out really well.

Monday morning Pat Pat & crew made a great breakfast in their screened in outdoor kitchen overlooking the grounds down to the boat lift slips and the wide river. Some folks went shopping, some toured some caverns, some just hung out and enjoyed the views.

Around 4pm, eight of us boarded the Valentines pontoon boat with Pat Pat & crew and a few other guests, for an hour+ ride on the Colorado River, looking at multi-million-dollar homes. Those poor folks probably have no clue what their missing by not being Airstreamers! 😊 Later we gathered around Mr. Robert Warner's propane fire pit to catch up on the day.

Tuesday morning, we were again treated to breakfast, grilled biscuits and eggs, fruit salad and more. After breakfast, I had to return to TAHI to prepare for the Galveston Mardi Gras caravan leaving Thursday, but I know Pat Pat & Crew were making hamburgers & fixings for dinner.

Valentines Campground is fantastic, a very big THANK YOU to Pat Pat, Ms. Susan for inviting us, and Ms. Isabella, a real worker, whose parents happen to own a Metal 345 Airstream motor home. I hope to one day swear them all into the greatest Unit in Texas, TGCU❤️.

I won't bore you with my experience with the Mardi Gras caravan and rally except to say I was very pleasantly surprised, very glad I went and that I collected 26.2 pounds of beads, and the chocolate shop owner knows my name! A fantastic job was done by R-9, 2nd VP Philip Vasquez, R-9 1st VP Nancy Fitzgerald and first time caravaner and Parking Chairman Mr. Jim Shults. PLEASE do read Ms. Nancy's article in this newsletter.

The Region 9 Rally is coming up quick, April 26 – May 1, so please give it some thought on attending. I've heard, from a very reliable source, that for two years back in the early '90's, 520+ RIGS attended the R-9 rally. I've been to International Rallies with less. Next year, our own Ms. Nancy Fitzgerald will be R-9 President, so the more from our unit going this year will be a big plus for knowing what to do, or NOT, the next two years. Speaking of International, there are 960+ rigs signed up already, with at least six from TGPU so far. It's only a Hop, Skip and a Jump Away.... So sign up and GO.

I'm still looking for help with the 55/50 October rally and SEVERAL other committees, and TGPU needs a 2nd VP.

Please let someone in the Host Group or me know if you going to attend a rally so we can have an accurate head count and purchase supplies accordingly.

Finally, I can't help but to think how amazing things would be, if some folks, used just half the energy they use complaining about things, to instead, actually help out at rallies.

*The Last Best Place
And the Virtues That Make It
That Way*

**Virtues for Living in an RV Community
Part Three in “The Last Best Place”**

by A New Airstream Owner

In this last installment of a short series on life in an RV community, I want to share several helpful virtues for RV community living.

Humility – the restraint of mind to resist the belief that one’s own ideas are right, or best for the community. We often don’t have the right answer, or we aren’t the best person for the job. Getting a job done in an RV community is a little like picking the best dance partner – always choose the wallflower – not the one telling everyone how to do the jitterbug.

Generosity – the habit of unreservedly sharing one’s time, possessions, and talents with those in the community. Selfless service is a key to RV community life.

Kindness – the habit of pleasantness and patience in one’s relationship with others. But let’s be honest, someone well summed up the difficulty of being kind to some people: “It’s hard to be religious when certain people are never incinerated by bolts of lightning.” But it’s worth the effort and a powerful medicine for community happiness.

Honesty – the habit of not evading reality; that is, not pretending facts are other than they are. This virtue is more than simply telling the truth. In the form of forthrightness, it is the perfect complement to the virtue of kindness. Tactfulness and candor are a compelling combination. This virtue in community promotes truthfulness, respect for property, fair play, fidelity to promises, and transparency. Charlie Brown said, “Honesty won’t make you many friends,” but Charlie didn’t live in an RV community, where this virtue builds confidence and trust among neighbors.

One final suggestion from Charlie Brown that seems appropriate for RV community life: “Learn from yesterday, live for today, look to tomorrow, rest this afternoon.”

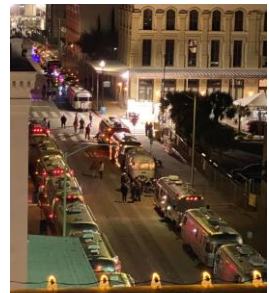

FEBRUARY CARAVANS

Mardi Gras! Galveston Urban Rally in Region 9

By Nancy Fitzgerald, Region 9 First VP S

The **colors**. The parades. The beads. The Airstreams. Forty-eight rigs lined bumper to hitch along the Mardi Gras! Galveston parade route in the historic Strand District in February. Approximately, a hundred Region 9 members alongside participants from Arizona, Minnesota, New Jersey, and Colorado partied for four festive days to celebrate the 111th year of Mardi Gras Galveston. We deflected beads, marveled at brightly lit colorful floats rolling between our Airstreams, and danced to the jubilant noise of nationally renowned music artists. We welcomed Friday morning with a Bloody Mary Breakfast hosted by the Texas Gulf Coast Unit. It was cold and blustery, but we warmed up with Bloody Marys, coffee, and king cake. And we deserved it after the parking challenges we survived the evening before when forty-eight rigs converged from two staging areas along a 4-block section of Mechanic Street inside the secured entertainment area. Despite one major gridlock caused by a misinformed police officer, we were all parked and leveled, and only 30 minutes late to our complimentary drinks and hors d'oeuvres sponsored by Yaga's Entertainment at Tsunamis Restaurant on The Strand. Parades on Friday and Saturday and a Mexican Heritage Festival on Sunday provided plenty of Mardi Gras glitz. Food vendors lined up around the corner from our rigs, and Strand Avenue one block away was an oasis of restaurants, bars, and shopping. We could set up chairs between our Airstreams and crowd watch as well as collect pounds of beads from any of the ten parades that passed five feet from our doors. Some of us simply opened our doors as the parades passed by and beads landed inside the Airstream! All felt safe and secure with hundreds of police on patrol continuously throughout the weekend. We were ambassadors to the hundreds who walked up and down Mechanic Street throughout the rally asking questions about who we were and marveling at how we managed to secure such a prime spot for Mardi Gras. Those who felt comfortable held spontaneous open houses to show off their Airstreams to the curious. All of us educated the uninitiated to big red numbers and Wally Byam. The images of the iconic Airstream juxtaposed against the historic buildings did most of the talking for us.

Searching for a one-of-a-kind experience that is safe, entertaining, flashy, and unprecedented, think Mardi Gras! Galveston 2023.

A Valentine Caravan Celebration

February 13-16

TGCU member Pat Muller (aka Pat-Pat) invited a caravan of TGCU Airstreamers to her Valentine Lakeside Resort on LBJ to celebrate Vanentine's with food, fun & fellowship. The caravan departed TAHI on Sunday, February 13 after church services at the February Rally & caravanned to Kingsland, TX on Lake LBJ. Members of two Airstream clubs were welcomed with good food, boat rides and even a Sing-a-long. Pat Muller, Susan Patten & Isa Richardson served breakfast every morning. And what a way to start Valentines Day!

To Nova Fleming...

WBCCI BRN# 3256 - Willie & Nova Fleming

You have been a blessing and inspiration to many Texas Gulf Coast Unit members and Airstreamers across the USA! Reach Out and Touch Someone...perhaps that is the motivation behind the dedicated service of long time Texas Gulf Coast Unit 103 member Nova Fleming. WBCCI member 3256 came to TQCU/Texas Airstream Harbor in the early, 2000 and she and husband Willie quickly took to the monthly rallies locally and participated in local, Region and International rallies. Willie headed up the International Water Committee for years of which many Region 9-TQCU members gathered to provide water to every rig that attended the International rally. Tragically, Nova lost Willie when he passed away in 2009. But, her love for TQCU, traveling and Airstreaming has never diminished. She has continued to attend International rallies across the United States driving her Airstream motor home. Until Christmas 2021 Nova and family continued to "take over" TATH kitchens and has prepared wonderful meals and decorations for the annual December installation banquets.

Serving punch & cookies -receiving line..2008

Willie, Nova & daughter Debra Clark at TGCU banquet

Texas Gulf Coast Unit 103 is reaching out to express our deepest gratitude to Nova, her family and friends who over the last 17 years cooked those scrumptious meals, treats and made special gifts for the Annual Christmas and Installation rally. What a labor of love you have provided us so beautifully year after year. Your countless gifts of homemade treats, bread, candy etc. were enjoyed and each new office holder looked forward to each year what sweet we would all be receiving. In addition you always decorated our clubroom and head table beautiful! Our thanks is just not enough.

Not to mention how you played and sang every Sunday Morning for the chapel service as well. You also played piano and worked with the choir at Region 9.

As a token of our appreciation of your dedicated service to our unit, TQCU is purchasing a rocking chair and having it inscribed in your and Willie's name for your devotion to our unit. Such a blessing! We love you Nova and we are more than happy to express it in many thanks!!

TAHI News

Texas Airstream Harbor ...from the Prez...

February has been pretty busy for TAHI. A lot of guests have been visiting our park including two different couples from Canada, new members vetted for membership and membership lots being transferred. A big shout out to Dana Kelley who is the TAHI "Host With-the-Most" when it comes to working with potential visitors via email and phone calls. She has been busy setting orange cones up with visitors name and placing them in various TAHI guest lots across the park. She then meets, greets and welcomes those visitors with a welcome bag that has information about our park, things to see and do and a beautiful hand towel made by another camp host, Nina Welling. Dana is the Guest Host through March. Thank her when you can for the work she does to greet and work with our visitors.

A very productive WORK DAY was held on Thursday, February 10th. A big group of workers showed up with a positive attitude to work on projects all across the park. Shovels, digging, pipe line repairs, even grass seed planting to help beautify the park. Lee Deland and Bob Kalton worked together to install the new fan and motor on the trihalomethane tower, Becky Kalton planted grass seeds after several volunteers prepared the ground inside the water plant where the old water tank was placed. Mike Moosemiller and Van Neie dug in piping for electric connection to the new sewer plant. Jim Lovelady, Jim Petrukitas and Ken Daniels dug up the water cut-off valve for future replacement. The ladies of TAHI showed up too and got together to clear out the Region 9 trailer, and set the clubhouse up for rally activities. I know I've missed some names and I apologize that I could not recall everyone, but all were an important part of making TAHI a better place.

Speaking of old water tanks... you've probably noticed the old tank on its side just outside the fence of the water plant. TAHI folks have attempted to get someone to cut up the old tank and haul it off. Some bids came in but were extremely expensive (\$4000.+). The decision was made to do the cut it up ourselves (meaning Charlie Petrillo) with his plasma cutter, assisted by Bill Pearson and others. We are looking for additional volunteers to help

with moving some of the cut up materials and stack on a trailer for removal. Please advise if you are willing to help.

The electrician is finished with our new Waste Water Treatment Plant (WWTP). There is still work to be done to dig in pipes from our lift station and also effluent pipes to be dug in and connected to the current outflow lines. The great news is that everything worked as planned. All blowers, motors, electrical connections and control panels have all been tested and all are in working conditions. Member Alison Steel has begun work on our permitting for the plant and has been in contact with TCEQ about making that process complete. She recently drafted a letter under my signature that lets TCEQ know what we are planning/wanting to do. This is not an easy process but I have confidence that she will get it accomplished.

During the January board meeting, members of the board voted to change the bylaws to allow more communication with the membership. Please remember that we will have a membership meeting in March. We have some opportunities to bring a Region Rally to TAHI in 2023. Support and commitment from all members will be required. A committee will be named to identify what needs to be done in our park to get ready for a rally of this magnitude and what ammenities we will willing to offer to bring this rally to TAHI.

The 9th annual Doc Cain Fishing tournament is coming up in April and we want to have our park looking "spiffy" for anticipated guests so if you have some spring cleaning to do around your place please get that going. Also, let me know if you are going to fish and if you have a boat and are willing to take guests out fishing for that tournament.
