Mineral-Rich Horse Salt Lick

Is your horse dehydrated or depleted of salt and essential trace minerals?

Redmond Rock salt lick is packed with natural minerals and electrolytes that hydrate horses and bring them back into healthy mineral balance. Nourish your horses and help them thrive with Redmond Rock.

Why Use Redmond Rock?

The minerals in Redmond Rock can help restore and bring your horse back into natural mineral balance.

Stress Relief for Horses

Is your horse struggling with painful ulcers, digestive discomfort, or diarrhea?

Daily Gold buffers acid, soothing stomach upset. The loose minerals in Daily Gold Stress Relief help alleviate equine ulcers and other common issues for horses such as diarrhea, lack of appetite, and stress.

Why Use Daily Gold?

Daily Gold is 100% natural bentonite clay, which helps improve equine ulcers and other equine digestive issues.

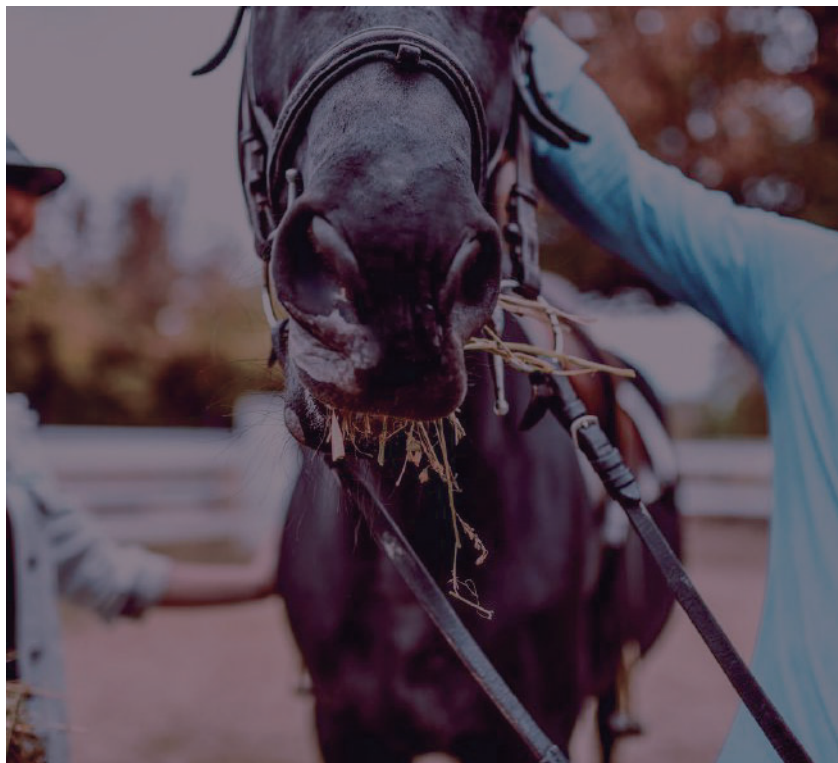

902-002

Quiescence®

Quiescence® is a supplement formulated to support animals who are cresty-necked and have the tendency to founder, by supporting normal glucose metabolism. It may also support calm, balanced behavior in equines.

Ivermectin Liquid for Horses

The Only Water Based Dewormer for Horses in Canada

Good choice for fussy horses, easy to deliver, no wastage. One low-volume dose is effective against important internal parasites, including the arterial stages of *Strongylus vulgaris*, and bots. Its convenience, broad-spectrum efficacy and wide safety margin makes it an ideal product for parasite control of horses.

Product Details

No wastage of product Water based = Easy to deliver, especially for those fussy horses Only water based ivermectin horse dewormer Broad spectrum: Kills worms, bots, mites and lice Indications For the treatment and control of Parasitic infections due to internal nematodes and bots, in horses. Consult your veterinarian for diagnosis, prevention and treatment of parasites of horses (see product's package insert for complete spectrum of activity).

One and done

Only QUEST® Gel (moxidectin) and QUEST PLUS® Gel (moxidectin/praziquantel) protect against all of these parasitic threats^{1,2}:

- Large strongyles
- Small strongyles
- Encysted small strongyles
- Roundworms
- Pinworms
- Hairworms
- Stomach worms
- Bots
- Tapeworms*

Effective, broad-spectrum treatment with a single dose¹

- One dose kills a variety of parasites, including encysted small strongyles
- Competitive dewormers require up to five doses
- 84 days of strongyle egg suppression with one dose, providing a period of protection against reinfection

HOOF DOCTOR

DO YOU REALLY NEED TO APPLY HOOF DOCTOR?

- All of our products are made from 100% natural ingredients with no synthetic chemicals.
- Hoof Doctor promotes external health allowing internal and sensitive structures to do their job, but alone will generally not fix your problem. Hoof Doctor is one pillar of an overall approach to a healthier horse.
- Hoof Doctor is doesn't clog the pores of the wall. It fills voids and fissures that can be pathways to pathogens. If the hoof has been invaded by bacteria or fungus, the product must be applied to the coronet band, hoof wall, frog, bulb, and sole as indicated.

HOOF DOCTOR

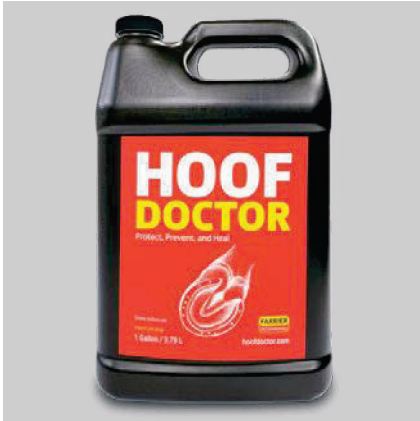

HOOF DOCTOR - 473 mL

Hoof Doctor is a unique product based on Birch Bark Extract, Betulin and Fish Oil.

Equine One promotes external health allowing internal and sensitive structures to do their job, but alone will generally not fix your problem. Equine One is one pillar of an overall approach to a healthier horse.

Equine One doesn't clog the pores of the wall. It fills voids and fissures that can be pathways to pathogens.

HOOF DOCTOR - 3.97 L

Hoof Doctor is a unique product based on Birch Bark Extract, Betulin and Fish Oil.

Equine One promotes external health allowing internal and sensitive structures to do their job, but alone will generally not fix your problem. Equine One is one pillar of an overall approach to a healthier horse.

Equine One doesn't clog the pores of the wall. It fills voids and fissures that can be pathways to pathogens.

HOOF DOCTOR PUTTY

Hoof Doctor Putty is a unique hoof putty based on Birch Bark Extract, Betulin, Clinoptilolite, and Fish Oil for the professional care of horses' hooves. It is a non-caustic product easily applied to the white line, hoof wall separations, and hoof frog.

- Aids elasticity of the hoof wall
- Promotes healthy growth of the hoof
- Promotes hoof strength
- Non-irritating and safe to apply without wearing gloves
- The product does not dry out, but keep container tightly closed when not in use
- Can be used under pads to keep soles and frogs in healthy condition
- Made with a non-caustic formulation - contains no copper sulfate, no harmful or petroleum-based products
- Please note the equine care product is for hoof use only.
- The product has a distinctive smoky smell

The Mane 'n Tail Product Grooming Line: a well-groomed horse leaves a lasting impression!

HOOFMAKER NEW AND IMPROVED FORMULA Two NEW Sizes - 3.4 oz & 14.5 oz

Now you can discover the mystery behind luxuriously soft skin and beautiful nails. The exclusive combination of intensive protein enriched ingredients enables your hands and body to achieve a natural feel while moisturizing dry and cracked skin. Originally developed for horses to moisturize dry, cracked, brittle hooves. Since applied to the hoof by human hands, over time many of those using Hoofmaker on their horses noticed dramatic improvement in the condition of their hands and nails. Moisturizes dry, cracked skin on hands, feet and other areas of the body. Fortifies nails and protects them against damage, maintaining their strength and flexibility. Softens and conditions, deeply penetrating rough, callused areas. Restores vital nutrients and essential moisture to dry skin and nails in a grease-less formula. A manicure and pedicure in a bottle. Keep from Freezing.

- Deep moisturizing formula helps reduce dry and brittle hooves
- Protein enriched formula conditions the entire hoof surface including coronary band, walls, frog and sole
- Regular use will maintain stronger more flexible hooves
- Contains no petroleum or pine tar
- Never sticky or greasy

The HandsOn Touch

REDEFINING THE WAY WE SHED, BATHE & GROOM ALL OF OUR ANIMALS. FOREVER.

#1 Ranked, Multi-Award Winning, HandsOn Gloves are the Revolutionary All-In-One Shedding/Bathing/Grooming Gloves. Animal preferred for the loving HandsOn massage. Horses, Dogs, Cats, Livestock and more don't even know they are being groomed or de-shed with the patented HandsOn Gloves. HandsOn outperforms traditional curry combs, bathing mitts, shedding blades, metal bristles, and any de-shedder on the market. HandsOn is changing the way we Bathe, De-Shed and Groom all our animals. Forever.
