- ✓ Detailed information about the components and safety data sheets of the certified chemical products

Joe Prince
Ecology Services Manager

Agustina Oliver
Senior Technical Officer

Manchester, 2023-03-16

The above captioned products can be used for the production of human-ecological optimized textiles & leathers.
The combined results of the reports mentioned above reveal that there is no harmful effect on the human and environmental health of the textiles & leathers treated/finished with the certified products.

ZDHC MRSL 3.0 Conformance Level 1 is achieved for certified products unless indicated otherwise.
Further compliance information (REACH, SVHC, POP etc.) can be found on oeko-tex.com/en/faq.
The certificate is based on the test methods and requirements of the OEKO-TEX® ECO PASSPORT that were in force at the time of evaluation.
